In the Whole History of Medicine No preparation has ever performed such marvelous cures, or maintained so wide a reputation as AYER'S CHERRY PECTORAL, which is re-

cognized as the world's remedy fer all diseases of the throat and lungs. Its long-continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it had a very narrow escape, yesteracts speedily and surely, always day, from a frightful death.

relieving suffering, and often sav-ing life. The protection it affords, by its timely use in the throat and lung disorders of children, makes in Salt Lake City, to buy Good it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and effects, Physicians use the CHERRY PECTORAL

extensively in their practice, and Clergymen recommend it. It is absolutely certain in its remedial This in all probability saved his life. Prompt examination showed that none of the poison had been effects, and will always cure where swallowed, though his tongue and cures are possible.
