Pursues French Soubrette.

Violet Villers, a soubrette with the Liberty Belles company, appealed to the Sait Lake police last night for protection from the persistent and altogether too aggressive attentions of a dashing young stranger from Colorado Springs, who has been following the mpany from town to town, shower ing money and presents of jewelry on her. These presentations have been by messenger, as Miss Villers has declined to receive her would-be Knight Errani, or recognize him in any way beyond keeping the presents he has sent her. The fellow began at Colorado Springs by sending a note requesting a meet-ing, to the girl's room at 1 a. m. Her refusal only brought a series of notes, the messenger excusing himself with information that he was getting a dollar for each note. However, Manager Hennesy has assured the girl that he will rid her of this annoyance, and that she need not look to the police. She is French, and is stopping at the Kenyon, while the gay knight is quar-tered at the Knutsford.
