OF UTAH

This map has just icen finished for the Deseret News. It shows Utah brought up to date, including the Lucin cut-off across the lake. On the margin is given the list of the cities, towns, vil-lages, and countles in the state, ar-ranged in alphabetical order with the population of each. On the reverse side is a map of the United States and the world, with a list of all cities of over 25,000 population. The map of the Unit-ed States contains a new feature, every state being marked in red letters with its electoral vote in the coming presi-dential election. This map is for gale only by the Deseret News Book Store. It is of the style that retails in the east
