ELECTION RETURNS.

SALT LAKE CITY AND COUNTY.

Following are the returns from 56 of the 88 election precincts in Salt Lake county on the legislative and county tickets, and 52 precincts on the electoral and congressional tickets, showing conclusively the election of the Democratic candidates in all cases by majorities ranging from 2,000 to 4,000. Owing to the slowness of the count, all the returns were not in at the time the NEWS went to press; some of the city precincts did not finish the count till late this afternoon. No figures to come will change the general result in Salt Lake county. The Bryan and Sewall electors will have about 25,000 majority as near as can be estimated, and Judge King, the Democratic candidate for Representative to Congress about 10,000 majority in the State. Complete returns were not available this afternoon, owing to the new system of voting and the count thereunder.

A SURPRISE TO BOTH

Democrats and Republicans Wonder at the Great Clean Sweep.

IN SALT LAKE CITY AND COUNTY.

The Women "Put the Cross Up By the Rooster and Let it Go at That," it Seems.

Among the election surprises the one in Salt Lake City and county stands out very conspicuously. The Democrats made a clean sweep, electing all their candidates by majorities as large as in electing themselves as well as the Republicans.

At 3 o'clock this afternoon it was estimated by the Democratic county executive committee that the majority for the legislative ticket would range from four to five thousand. This conclusion is reached by striking an average on the votes of the precincts so far as the results have been reported. The county ticket is also elected by a large majority, though the figures will not run as high as on the legislative ticket. The reason for this is that the county ticket was more finely scratched than the legislative.

The Democratic judicial candidates are also elected beyond question of doubt. They are Judges Norrell and Cherry, and the district they represent comprises three counties, Salt Lake, Summit and Tooele. Just what their majority will be cannot be definitely determined until full returns are received from Summit and Tooele counties.

The unofficial canvass of votes so far made shows that an extraordinarily large vote was cast. It is safe to say, probably not less than eighty-five per cent of the men and women who had their names on the registration rolls exercised their whether of the polls yesterday. The women's vote was only as large in proportion to that of the men if in fact it was no larger. The Democrats, with much confidence and complacency, contend that it is a complete vindication of their claim that there are more Democratic women in their ranks than in the ranks of the Republicans. This contention was freely admitted by the Republican committee today. They say that now when the ballot is over the existence is not so difficult to make.

Forty-six of the eighty-eight precincts in the county show a total vote of 13,281. The average Democratic Legislative vote is 9,299 and the average Republican Legislative vote 4,981, making a Democratic majority of 3,307. Calculating on the basis of 85 per cent of the registered vote being cast, this indicates a Democratic majority of 4,950.

THE SUCCESSFUL CANDIDATES.

Should the result stand permanently as it now does, those who are to serve Salt Lake county in the upper house of the next Legislature will be John T. Caine, Mattie H. Cannon, Benjamin A. Harbour, David O. Rideout Jr., and George A. Whittaker. Those who will do similar service in the House of Representatives, Eighth district, are Heber Bennion, Scipio A. Kenner, Euritha K. LaBarthe, Daniel Mangan, George Romney Jr., Richard B. Shepard, Robert W. Sloan, Joseph E. Taylor, Everett W. Wilson and James Thompson.

The county officers will be Francis Armstrong, Lucius E. Hall, George R. Hawkins, commissioners; David C. Dunbar, clerk; Stephen H. Lynch, treasurer; Margaret A. Caine, auditor; James C. Jensen, recorder; B. B. Quinn, assessor; Charles S. Wilkes, surveyor; Waldemar Van Cott, attorney, and Thomas P. Lewis, sheriff.

Cures Talk

"Cures talk" in favor of Hood's Sarsaparilla are as far as other medicines. Regular cures recorded in truthful, convincing language of grateful men and women, constitute the most effective advertising. Many of these cures are notorious. They have won the confidence of the people, have given Hood's Sarsaparilla the largest sale in the world, and have made necessary for its manufacture the greatest laboratory on earth. Hood's Sarsaparilla is known by the cures it has made—cures of scrofula, salt rheum and eczema, cures of rheumatism, neuralgia and weak nerves, cures of dyspepsia, liver troubles, catarrh—cures which prove

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier.

GREAT SPEECHES!

On the occasion of Ex-ex-President Harrison's visit to this city, Colonel Thomas Patterson, of Denver, Colorado, W. C. Bruce, editor of the Ogden Standard, and Hon. Robert Richardson, of Ogden, delivered speeches which were published in full in the Deseret Evening News. Those speeches are worthy of preservation as a part of the history of the campaign of 1896, and the News has published them in pamphlet form, which may be had for sale at the News office. Price, 10 cents per copy, or $1 per dozen. Address Deseret Evening News, Salt Lake City.
