Enn Protociseo, April 1.—It is reported new that Grave Gen James F. Smith of he Pfullppines, will resign his execu-tor position and sail for this city May is to resume the practice of law which is abandoned when the Spafish-Ameri-Carl war began. Gov. Builts was a partner of Judge Frank Murasky when he left for the soore of bostilities in the islands as colonel of the First regiment of the national guard of California.

CANADIAN ARMY DQUIPMENT.

CANADIAN ARMY EQUIPMENT. New York, Antor 1.-Ganada is not to be outdone by Europe in the matter of up-to-date military equipment. Ac-cording to Glean H. Cartias, the scro-plane expect of Hammondoport, N. Y., who has been if-doubled with Alexander Grabare Bell, and the serial experi-ment association at Braddock, N. S., negotiations are under way looking to the purchase by the Doubled by the sense of the or more machines of the Silver Dart type, with which the association has successfully experi-mented. There is also a probability that the Silver Dart will be slipped to England for tests there under the supervision of English army officers. After being in operation for its months the experiments at Broddocks were brought to a close Wedneeday and the Aerial Experiments associa-tion alsoanded. Dr. Bell will, never thebes, continue his experiments with the transford kite.

Chicago, April I — A farm society that shall be active in politics and repres-ent the rural population in the affairs of the nation, is declared to be the great need in the United States by Norval D. Kemp, of Dayton, O. former scretary of Rooseveit's farm life commission, in a communication to the Chicago association of commerce. Mr. Kemp pictures country life as a neigh-borhood community a few years ago, and declares it has been much dis-turbed by manufacturing progress. "Prom this community," he says, "came the men and women of the United States and they were strong and upstanding. "City life has not replaced on the farm the community life that centered in them, the quilting and the busking bees and the barn calsings. There is no longer any such thing as a true would be the states of the society.

no longer any such thing as a true rural society founded on the life and work of the country and embodying bigh, constructive and realizable

bigh, constructive and realizable (deals. "Shall we not then, in simple justice, devote ourselves to recon-struction? Shall we not try to learn where lies the heart of both city and country interests, replacing misunder-standing and coposition with under-standing and co-operation? Our coun-try life is the nation's nursel source, for it is there that we renew our blood."
