PRICKLY ACH BITTERS
The majority of the ills of the human
body arise from a derangement of the
liver, affecting both the stomach and
bowels. In order to effect a cure, it is
necessary to remove the cause. Prickly
Aches and Stings of the Bowels,
Headache, Stiffness of the Stomach, Pain
in the Back and Loins, etc., indicate that
the liver is at fault, and that nature
requires assistance to enable this organ to
perform its duties.
Prickly Aches Bitters are especially
compounded for this purpose. They are
mild in their action and effect a cure
in a very short time. They are taken
easily by both children and adults. Taken
according to directions, they are a
safe and pleasant cure for Dyspepsia,
General Debility, Habitual Constipation,
etc., etc. As a Blood Purifier they are
superior to any other medicine.
