HORSE THIEVES ARRESTED.

Found in Salt Lake City-Marriage Licenses Issued-Missionaries for Holland-Personals.

The unsavory rape case against Ren Rockefellow and Gee Ben, the Chinaman, and Mrs. Mary Lindsay Bernards charged with being a procuress to the crime was heard before Judge Howell yesterday afternoon. The state was represented by County Atty. Hunlaniski and Maginnis & Stout, and H. H. Henderson represented the defendants Bockefellow and Gee Ben, but Mrs. Bernards did not have an attorney. Lizzie Peterson, the young girl whom he defendants are charged with having caused her ruin, testified that she is but 15 years of age and is to become that May 30 Ren Rockefellow lowed her and a little girl named ary Ellen Jenkins out on the sand ridge near the Adams canning factory and there accomplished her ruin by That on June 6 she was induced Mrs. Bernards to go with her to by Mrs. Bernards that where, through in-ducements from Mrs. Bernards the Chinaman accomplished her ruin again, for the paitry sum of \$5. That with part of the money so obtained she bought eatables for Mrs. Bernards. The little Peterson girl's testimony was corrated by the Jenkins girl who is but 16 years of age and saw both of the crimes committed. The Peterson girl cried bitterly while giving her tesmony which was very unsavory. The only defense put in was that for Ren Rockefellow. He denied having committed the crime, and endeav-ored to make up his defense by an all-

wife, brother, sister and her husband who all testified that he was at the City cemetery all the afternoon of May The court took Rockefellow's case under advisement until this morning and held the other two defendants to answer to the charge to the district court under \$1,000 bonds each, which

HORSE THIEVES ARRESTED.

Sheriff Bailey returned home from Sait Lake City last evening bringing with him to Ogden as prisoners W. H. Smith and Wm. Cuttle, who will no doubt have to answer to the charge of grand larceny.

Friday last Sam Jost had a fine team of work horses stolen from his pasture, one a black, the other a roan.

Menday morning Mr. Jost saw one of his horses in traders' alley in this city and the men who had it said he had hought it in Sait Lake and that the man who sold it to him had the black horse also. Sheriff Bailey went to Sait man who sold it to him had the black horse also. Sheriff Balley went to Salt Lake Tuesday but did not arrest the thieves until yesterday afternoon, but they had disposed of the black horse. Cuttle says he knew Smith in Idaho and was only helping him to sell the horses and did not know they were stolen. Smith claims that he brought the black horse from Idaho, but the sheriff has some witnesses who saw him riding the black horse Saturday morning and leading the roan horse.

The political situation in this city is waxing warm and candidates for the different city offices are springing up on all sides. On the Socialist ticket the aspirants are Charles Wing for mayor, Orris Jarman for marshal, Carl Kahn for recorder, and Gus Viertel. A. H. Porter and John Zirker fo the city council. McPhee, the present recorder, seems to have the inside track for re-nomination. Politics Beginning to Sizzle - Missionary Reception-News Briefs.

Mt. Pleasant, Sept. 30.—A very fine time was had on Tuesday evening at the reception given to Elder J. N. Ericksen, who recently returned from a long mission to Scandinavia. A gen-eral good time was had by all present.

POLITICS SIZZLING.

The Republicans fired the first gun NOTICE OF SPECIAL CITY TAX. of the coming mulincipal campaign last Tuesday evening. They met to re-organize the party, and to prepare for the election. Incidentally last fall there was a split in the party, which had failed to heal, and they met on common ground and buried the hatchet. Mr. F. C. Jensen, the leader of the opposing faction last year, and who aspired to the state senatorship, was made chairman of the party. This, the Candiand faction says, was done in the interests of party harmony. Although the Jensen forces bolted the regular convention last year, they appear now to be in the "ring" and are prepared to wage the campaign to the end. The yielding of the Candland forces was made possible by the ardent devotior of the bolters to espouse the lost causof the bolters to espouse the lost cares of the Candland faction, and as they said to come back into the fold, and be united. This has not met the approval of the Candland forces as a unit, as they foresee that it is a victory, partially, for Mr. Jensen, who waged a fierce political fight last year. ESTATE OF SARAH A.
