

Lying, and you expel me for telling the truth."

Judge Davies has granted a stay of proceedings in the Stokes case.

WESTERN.

JACKSONVILLE, Oregon, 14.—To-day the grand jury of Jackson Co., indicted "Scar Face," "Charley Hocker," "Long Jim," "One-eyed Mose," "Old Doctor Humphrey," "Little Jim," "Boston Charley," and "Dave," belonging to Captain Jack's band of Modoc Indians, for murder in the first degree. Mrs. Brotherton and son, survivors of the Brotherton family, swore positively to these Indians as the band who massacred the settlers on Lost River in December last.

EUROPEAN.

MADRID, 14.—At a council of ministers yesterday, the new government pardoned several men sentenced to be executed at Barcelona.

To-day, Castelar, minister of foreign affairs is preparing a manifesto to foreign powers, explaining the policy of the present government.

A system of arming the people to repel invasions of the Carlists is to be developed.

VERSAILLES, 14.—At a meeting of the deputies of the Left, resolutions were adopted congratulating the republicans of Spain upon the establishment of a republic.

VIENNA.—The exhibition palace is completed and goods are being received.

BERLIN.—A royal message was received in the chamber of deputies to-day, appointing a commission to investigate the late disclosures of corruption in high official circles in connection with railroad concessions.

LISBON.—In the chamber of deputies to-day a debate arose on the recent events in Spain. Silva said there was reason to expect that changes in the neighboring country would have an echo in Portugal. He urged all to support the constitution. The prime minister replied that he saw no danger to the country. The idea of a union between Spain and Portugal is gaining strength.

BERLIN.—The Spanish minister had a conference of two hours with Bismarck, and the immediate recognition of the Spanish republic by Germany is expected.

The snow is so deep in the neighborhood of Madrid that the railroads are blocked.

LISBON.—Amadeus and family were met on their arrival at the R. R. station by the King, Queen, Prince August, Members of the Cabinet and the Italian Ambassador. The ex-Queen was weak and was carried in a Sedan chair to the palace. The streets through which they passed were crowded.

MADRID.—The National Assembly has elected Perales, Seone, Gomez and Chao vice presidents.

The address in reply to the king's message of abdication was adopted. It concludes with the declaration that when present perils, conspiracies and obstacles are overcome the Spaniards will not be able to offer Amadeus a crown, but they will offer him another dignity, that of being a citizen of a free and independent country.

Espartero, the veteran statesman, has sent the warmest congratulations to the new government.

Olozaga, the Spanish ambassador to Paris, thrice tendered his resignation, but the government has requested him to remain for the sake of the country and liberty, and he has consented.

Couriers have left the capital with Minister Castellar's manifesto to the foreign powers.

Eminent statesmen are trying to prevail on the government to relinquish the idea of dividing the country into separate States, forming a federate republic like the United States, and it is probable that the arguments against the scheme will have the desired effect.

General Nonvillas has been appointed Captain General of Madrid.

The *Imparcial* declares that the act of abdication was voluntary and personal. The king's father was opposed to it.

The *Correspondencia* says the flag of the republic will be violet, white and red.

It is reported that General Moriones, commander-in-chief in the north, has telegraphed his adhesion to the new government.

General Pavia has been appointed to the chief command of the troops in Catalonia.

A decree is expected suppressing titles and decorations.

INDIGESTIBLE BREAD.—The reason why those baking powders in the market adulterated with Alum, Chalk, Earth, and other substances make bread and biscuits very indigestible, is because they harden the gluten of the wheat and render it less soluble. Now this is not the case with Dr. Price's Cream Baking Powder; its purity and perfect combination enable it to render all articles easy of digestion, besides preserving their natural taste. Those who have not should test them, as also his elegant Special Flavoring, so strong, so pure, so true. d67 lw s4 2 w2 1

THE CELEBRATED HOME STOMACH BITTERS.

Are endorsed and prescribed by more leading Physicians than any other tonic or stimulant now in use. They are A SURE PREVENTIVE for Fever and Ague, Intermittents, Biliousness, and all disorders arising from miasmatic causes. They are highly recommended as an anti-dyspeptic, and in cases of indigestion are invaluable as an Appetizer and Recuperant, and in cases of General Debility they have never in a single instance failed in producing the most happy results. They are particularly BENEFICIAL TO FEMALES, strengthening the body, invigorating the mind and giving tone and elasticity to the whole system. The HOME BITTERS are compounded with the greatest care, and no Tonic Stimulant has ever been offered to the public SO PLEASANT TO THE TASTE, and at the same time combining so many remedial agents, endorsed by the medical fraternity as the best known to the Pharmacopoeia. It costs little to give them a fair trial, and

EVERY FAMILY SHOULD HAVE A BOTTLE.

We ask every one to read the following certificates from many of the most eminent physicians in the country:

St. LOUIS, July, 1870.—JAMES A. JACKSON & CO.: Gentlemen—As you have communicated to the medical profession the recipe of the "Home Bitters," it can not therefore be considered as a secret or patent medicine, no patent having been taken for it. We have examined the formula for making the "Home Bitters," and unhesitatingly say the combination is one of rare excellence, all the articles used in its composition are the best of the class to which they belong, being highly Tonic, Stimulant, Stomachic, Cathartic and slightly Laxative. The mode of preparing them is strictly in accordance with the rules of pharmacy. Having used them, seen their effect in our private practice, we take pleasure in recommending them to all persons desirous of taking Bitters, as being the best Tonic and Stimulant now offered to the public.

L. CH. Boislindere, M. D. F. G. Porter, M. D. Alfred Heacock, M. D. C. Gerick, M. D. Drake McDowell, M. D. C. A. Wane, M. D. J. C. Whitehill, M. D. E. A. Clark, M. D. Dr. C. V. F. Ludwig, S. G. Moses, M. D. W. A. Wilcox, M. D. Hubert Primm.

U. S. MARINE HOSPITAL, St. LOUIS, Mo., Oct. 8, 1870.—JAS. A. JACKSON & Co.: I have examined the formula for making the "Home Stomach Bitters," and used them in the Hospital for the last four months. I consider them the most valuable tonic and stimulant now in use.

L. MELCHER.

St. LOUIS, July 6, 1870.—JAS. A. JACKSON & Co.: Having examined the formula from which your celebrated "Stomach Bitters" are prepared, and having witnessed the method of combining the different ingredients, we can safely recommend them as the best tonic with which we are acquainted. From the great care with which they are compounded, and from the choice materials which enter into them, we have no doubt that they will prove, as they deserve to be, the most popular tonic and stimulant in use. Respectfully yours,
T. J. VASTINE, M. D. T. G. COMSTOCK, M. D.

We cheerfully concur with every word contained in the above testimonial.

John Conzelman, M. D. John Hartman, M. D. Chas. Vastine, M. D. John T. Temple, M. D. G. S. Walker, M. D. E. C. Franklin, M. D.

CINCINNATI, Oct. 16th, 1870.—Messrs. W. B. KENNEDY & Co., Agents—"Home Bitters": Gents—Agreeable to your request, I have examined the formula of the "Home Stomach Bitters," and find the remedies it contains such as are in general use by the Medical profession. They are very scientifically and pleasantly combined, and as stimulating tonics will be found specially adapted as corroborants to the treatment of low or debilitated stages of the system, whether arising from impaired digestion, or from malarious diseases.

Dr. J. L. Vattiers. L. A. James, M. D. R. S. Wayne, Chemist. C. T. Simpson, M. D. W. T. Tallaferrro, M. D. S. P. Bonner, M. D. J. J. Quinn, M. E. C. S. Muscroft, M. D. J. H. Buckle, M. D. G. W. Bigler, M. D. W. R. Woodward, M. D. G. A. Doherty, M. D.

CHICAGO, Sep. 30, 1870.—J. L. SMITH, Esq.: We have examined the formula of the "Celebrated Stomach Bitters," and find it to be composed of articles that are considered the best tonics used by the Medical profession, and one of the best bitters we know of now in use. Very respectfully,
H. S. Hahn, M. D. B. McVicar, M. D. J. B. Walker, M. D. G. A. Mariner, Norman S. Barnes, M. D.
