CHICAGO, ROCK ISLAND & PACIFIC R'Y

By reason of its central position, close relation to principal lines East of Chicago and continuous lines at terminal points in the West and Southwest—is the only true middle link in that transcontinental system which invites and facilitates travel and traffic in either direction between the Atlantic and Pacific.

The Rock Island main line and branches include Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Knoxville, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, St. Joseph, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns and villages.

THE GREAT ROCK ISLAND ROUTE

Guarantees Speed, Comfort and Safety to those who travel over it. Its roadbed is thoroughly ballasted. Its track is of heavy steel. Its bridges are solid structures of stone and iron. Its rolling stock is perfect as human skill can make it. It has all the safety appliances that modern genius has invented and experience proved valuable. Its practical operation is conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.

THROUGH EXPRESS TRAINS between Chicago and the Missouri River consist of comfortable DAY COACHES, magnificent PULLMAN PALACE PARLOR and SLEEPING CARS, elegant DINING CARS providing excellent meals, and —between Chicago, St. Joseph, Atchison and Kansas City—restful RECLINING CHAIR CARS.

THE FAMOUS ALBERT LEA ROUTE

Is the direct, favorite line between Chicago and Minneapolis and St. Paul. Over this route solid Fast Express Trains run daily to the summer resorts, picturesque localities and hunting and fishing grounds of Iowa and Minnesota. The rich wheat fields and grazing lands of Interior Dakota are reached via Watertown.

A short desirable route, via Seneca and Kankakee, offers superior inducements to travelers between Cincinnati, Indianapolis, Lafayette and Council Bluffs, St. Joseph, Atchison, Leavenworth, Kansas City, Minneapolis, St. Paul and intermediate points.

All classes of patrons, especially families, ladies and children, receive from officials and employes of Rock Island trains protection, respectful courtesy and kindly attention.

Persecution of Christians by the Chinese.

THE INDIANA LEGISLATURE.

A Decided Split in the Hoosier State.

HEWITT'S] FAMOUS DOCUMENT.

Special Dispatch to the NEWS.]

Chinese Persecutions.

LONDON, Feb. 24:—The *Times'* Peking correspondent informs that paper that the head of a rich Christian family at Sechuen has been executed despite the remonstrances of the French minister. The correspondent says the situation of the Christians in the provinces of Sechuen and Kei-Chow is fearful, the mandarins siding with the natives against the Christians, and he urges that the Pope send a legate to Peking to arrange the definite *modus vivendi* for the protection of the Christians throughout China and to avoid a continuance of the present state of affairs, which the correspondent thinks will drift into general persecution, massacre and civil war.

THE INDIANA SPLIT.

Lively Times in Hoosierdom.

INDIANAPOLIS, Ind., Feb. 24.—The Senate chamber was carefully guarded this morning by a force of doorkeepers, and even the members of the body had difficulty in effecting an entrance. There was a tremendous crowd in the lobbies and much feeling. At 9 o'clock Greene Smith rapped the Senate to order, whereupon Colonel Robertson, who had been admitted to the floor, started toward the chair. He was met on the steps by the assistant doorkeeper, who told him he could not come up.

The Colonel replied that he was the presiding officer of the Senate, and must take his seat, and stepped forward when the doorkeeper

REPELLED HIM

to the foot of the stairs. Thereupon he stood in front of the clerk's desk and stated that he had been elected Lieutenant-Governor of the State, and by the Constitution was the presiding officer of the Senate and demanded his seat. The point of order was raised that none but members of the Senate could take up the time of the body, which Smith sustained, and called upon the doorkeeper to remove him from the chamber.

The doorkeeper approached Robertson, took his arm, and the two walked out to the main door. The crowd saw Robertson come out and there was

GREAT EXCITEMENT.

He mounted the steps and made a speech, reciting what had transpired in the chamber, and cautioned the people to do nothing that would infringe the peace or dignity of the State, or that they would regret in cooler moments. This ended the trouble, and Colonel Robertson passed out into the hall of the House, which body had not yet met during the excitement about the Senate doors. Three of the Senators attempted to enter and had difficulty. Senator Johnson of Wayne denounced the doorkeeper and during the melee a number of persons from the inside approached the door, among them Senator McDonald, who put up his hands. Johnson interpreted it as an attempt to thrust him back and

STRUCK THE SENATOR

on the face. Senator Demott was ordered into his seat and when the sergeant-at-arms put him down threw him to the floor. Republican senators started to follow Robertson out of the chamber but were not permitted to leave. They sat quietly in the rear of the chamber taking no part in the proceedings.

When the House was called to order bills on their passage were called up and one bill was passed. The Speaker announced that when the Lieutenant Governor was presiding in the Senate according to the Constitution, the fact of the passage would be communicated to that body. This was received with great applause. He has instructed the doorkeeper not to admit the secretary of the Senate to the hall with the design of presenting any communication.

HEWITT'S LETTER.

The Famous Document Brought to Light.

NEW YORK, 24.—The letter which Mayor Hewitt sent to the Young Men's Democratic Club of Brooklyn on Tuesday night is made public to-day. President Lee's admission that he feared what he would say would prove a political bombshell, and the sensation which its suppression has created, rendered the publication of the document imperative. The following is a copy of

THE LETTER:

"NEW YORK, ——, —*Frederick B. Lee, Esq., 24 Park Place, New York* —DEAR SIR: I have the honor to acknowledge the receipt of your letter of the 5th inst., asking me to be a guest of the Young Men's Democratic Club of Brooklyn on the 22d, at its annual dinner. As you are aware I am just recovering from a very painful illness which does not yet permit me to leave my chambers. As a matter of course, it will be impossible for me to have the pleasure of dining with you on the 22d, but I send my cordial greetings to the club and the distinguished Democrats who will be present and trust that the laudable object at which you aim—the protection of the Union and the success of national Democracy—will be achieved. The principles of the Democratic party are on trial from a new force which has suddenly appeared in politics, and which will

DESTROY THE PARTY

unless it is boldly confronted and the dangers and pernicious effects of its doctrines and principles denounced and made clear to the public. The Democratic party regards the individual as the unit of society, the integrity of which depends upon the personal liberty of the citizen. Jefferson and his associates drove the Federal party out of power on this issue, which indeed was fundamental in the struggle which gave us our free government and procured the Constitution. Until the civil war broke out no man questioned the right of the white citizens of the United States to dispose of themselves and their labor in any manner which might seem good. The war extended the same rights to the colored race as the white citizens had previously enjoyed, so that up to a very recent period

EVERY CITIZEN

of this country had been free to employ himself and pursue his happiness in whatever direction might seem to him to be good. Within the last five years, however, a secret organization has been growing in strength and power which seeks to enslave the labor of this country and make it subject to the domination of men unknown to the people, who are not officers chosen by the people, and who are not creatures of the law, responsible to a free public opinion and to the constituted authorities for their action. Gradually the leaders of this body have succeeded in stamping out all personal independence on the part of a large number of workingmen of the country by refusing to permit any person to earn a living who is not affiliated with this secret organization. In this way the workingmen have been coerced into blind obedience to an irresponsible power, and the condition of those who have tried to

REMAIN OUTSIDE

of the organization is in many cases truly pitiable. They are called by opprobrious names, are hunted from shop to shop and denied employment on the fearful penalty of stopping all work, however pressing or important. This is a tyranny against which the Democratic party has ever struggled, and which it must now confront and denounce in no mistaken tones. It is likely that Democrats holding high positions have copartted with this new and dangerous element in politics, and even attained offices by submitting to the humiliation of an apparent endorsement of the false and dangerous doctrines which have been put in practice at such a fearful cost in our midst within the present month. Unless the Democratic party shall at once absolutely

DISOWN AND CONDEMN

all organizations which seek to place the individual under any other control that that of the laws and deprive the citizen of his right of free action, it will perish as it ought to do, and I desire on this occasion to emphasize this issue as one to which you and your fellow members shall direct your attention, in the hope that the next State convention will condemn, as Washington condemned, all secret organizations which undertake to usurp the functions of the law and destroy the free agency of the citizen.

I have the honor to be very respectfully,

(Signed) ABRAHAM S. HEWITT.

Fifteen members of the dinner committee of the Young Men's Democratic Club of Brooklyn met to-night in secret session, and there was a long wrangle as to the suppression of Mayor Hewitt's letter at the recent dinner, the result being the adoption of a minute expressing publicly their profound regret that the letter had been suppressed. The president of the club, they believed, had acted in good faith, under a mistaken idea as to the proprieties of the occasion in doing as he did. The resolution was adopted by a vote of 11 to 3, one member not voting.

TAKE SIMMONS LIVER REGULATOR

For all Diseases of the Liver, Kidneys, Stomach and Spleen

This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1828. It acts gently on the Bowels and Kidneys and at once exerts the action of the Liver, and is, therefore, the best preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure.

The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will invigorate like a glass of wine, but is no intoxicating beverage to lead to intemperance; will promote digestion, subpate headache, and generally tone up the system. The dose is small, not unpleasant, and its virtues undoubted.

No loss of time, no interruption or stoppage of business while taking the Regulator.

Children complaining of Colic, Headache, or Sick Stomach, a teaspoonful or more will give relief.

If taken occasionally by patients exposed to MALARIA, will expel the poison and protect them from attack.

A PHYSICIAN'S OPINION.

I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, prompt and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system. PUTNAM'S HOT FORGED NAIL

Every Putnam Nail is drawn down to a point from the rod, thus; receiving over sixty quick, successive sharp blows, at a welding heat. They are then scalded by the water process,

NO ACIDS being used, and afterwards HAMMER POINTED.

Our nails, therefore, are to all intents and purposes the same as the old fashioned hand and hammer pointed.

Some other manufacturers claim to make a Hot Forged Nail, but you will observe on all such a Chamfered Edge near the point.

THE PUTNAM NAIL IS THE ONLY Hot Forged and Hammer Pointed HORSE SHOE NAIL Made by Machinery in the World.

We address these facts to practical horsemen, because many of them are so conservatively set in their ways that even after knowing the facts, and giving the subject due consideration, they will DEMAND that their horses be shod with the Old Forged and Hammer Pointed Nail. A few months' trial will always convince.
