LOCAL AND OTHER MATTERS.

THERMOMETER 56 degrees F. in the shade, at 1 p.m. to-day. Pleasant day.

THEATRE.—The impersonation of "Meg Merrilies" in the beautiful play of "Guy Mannering" last night by Miss Dargon was a very able one. The weird influence and extraordinary force and energy of character of the old gipsy queen were admirably portrayed.

This evening Miss Dargon, on the occasion of her benefit, will appear as "Agusta Lamar," in the great society play, "Unmasked," written expressly for her. Carrie Carter appears as "Mrs. Sherman," Miss Simons as "Mary," Mr. Cogswell as "Albert Lamar," Mr. Thorne as "Mr. Lee."

After the play, by request, Miss Dargon will recite "Fontenoy or the charge of Old Irish Brigade." This is a magnificent bill.

To-morrow afternoon a grand Dargon matinee. To-morrow evening is the last of Miss Dargon's engagement.

SIXTEENTH WARD SCHOOL HOUSE.—The dedicatory services of the Sixteenth Ward School House will take place on Sunday afternoon, March 30. It is expected that some of the First Presidency and the Twelve will be present. Services commence at 2 o'clock.

Time of Holding Ward Meetings.

As the Meetings in the Tabernacle are discontinued for the present, and the Meetings in the various wards are held at different hours, we think it will be useful to our readers and the public generally if we publish the time of holding the different meetings on Sunday. We also include the home missionary appointments in the various Wards for the Sunday immediately following the appearance in the NEWS of this notice about the times of meeting.

FIRST WARD—Meetings are held at 2 and 6 p. m.

SECOND—2 and 6 p. m. G. G. Bywater, evening.

THIRD—2 and 6.30 p.m. J. Taylor, evening.

FOURTH—2 p.m.

FIFTH & SIXTH WARDS—2 and 6 p.m.

SEVENTH—2 and 6 p.m. J. Tuddenham, evening.

EIGHTH—2 and 6 p.m.

NINTH—1.30 and 6 p.m.

TENTH—2 and 6 p.m.

ELEVENTH—2 and 6 p.m.

TWELFTH—1.30 and 6.30 p.m.

THIRTEENTH—2 and 6.30 p.m.

FOURTEENTH—2 and 6.30 p.m.

FIFTEENTH—2 and 6 p.m.

SIXTEENTH—2 and 6.30 p.m. T. Taylor, evening.

SEVENTEENTH—2 and 6 p.m.

NINETEENTH—2 and 6 p.m.

TWENTIETH—2 and 6.30 p.m.

Sunday Schools are held in the above Wards at 10 o'clock a.m.

THREATENING.—One young man drew a pistol on another young man, in the Great Western Hotel, this morning. He did not shoot however. The police are on the look out for young man number one.

CATERPILLARS.—Now is the time to destroy these insects before they commence to hatch out. If their case is not attended to in good time they may prove very destructive to fruit the coming season. They are very numerous in the orchards just now.

COMPETITORS.—Among the competitors for the premium offered by the D. A. and M. Society, for the best design for a diploma, are Messrs. G. M. Ottinger, W. V. Morris, sen., and W. V. Morris, jr. We understand the specimens will have to be handed in on or before the 1st of April, to enable the judges to arrive at and give their decision on the 5th.

NO APPEAL.—Yesterday in the case of Jones, of the Hot Springs, for selling beer on Sunday, in which the defendant was fined $25, Messrs. Strickland & Maxwell, counsel for the latter, gave notice of an appeal to the Third District Court. Justice Clinton, however, informed those gentlemen that he purposed abiding by the decision of Chief Justice McKean, who had ruled that no appeal could be taken from the Justice's court. Mr. Strickland said the ruling of the Chief Justice was indefinite and could be construed either way, to which Mr. Clinton replied that it was time it was clearly defined, that there might be no room for misunderstanding, and that Judge McKean had a chance to put him right if he had misinterpreted his decision. He intended to abide by the decision of the superior courts as he understood them.

CHORAL UNION.—This musical association will give its first concert next Wednesday evening, when a fine entertainment may be expected. Prof. Geo. Careless will be conductor of the affair, and Prof. Orson Pratt, Jr., will perform the duties of accompanyist. The concert will come off at the Institute, at which place the last rehearsal will take place on Tuesday evening.

ALTERATIONS.—Several alterations and improvements have lately been made in the premises of the clothing department of Z. C. M. I. A compartment has been formed up-stairs in which the paper-hangings trade is carried on exclusively. A portion of the upper room in the new building has been partitioned off and is used for the clothing business. The room at the rear of the main store has been lately papered and is being fixed up for use as a measuring room. There are also other changes and improvements besides these.

This department has lately received one of the most extensive and varied seasonable stocks of goods in the line ever brought to the Territory.

THIRD DISTRICT COURT, March 28.—The case of Leonard Wines and Heber P. Kimball, vs. R. O. Stevens and H. C. Shurtliff, breach of contract for beef, Smith & Earll for Plaintiffs and Whitney for defendants, continued from yesterday. Jury out.

Mr. Baskin asked for a peremptory order of mandamus against Elias Smith, Probate Judge of Salt Lake county, which was granted by the Court. Snow & Hoge asked for a stay of proceedings till to-morrow morning, which was refused. Leave was granted by the court to the latter to make a motion for stay of proceedings to-morrow morning.

FROM SANPETE.—A correspondent writing from Mount Pleasant, Sanpete Co., March 25th, says that smallpox is still increasing at that place. On Friday, the 21st, there were six new cases and one death, and several cases between that time and the date of writing.

POST OFFICE DEPARTMENT.
OGDEN CITY, March 27, 1873.

Editor Deseret News:

SIR:—In your issue of the 26th inst., I noticed an article in your local column, on "Mail Irregularity," in which the writer refers to a letter said to have been mailed at Brigham City, some four weeks since, and addressed to a gentleman in S. L. City; the letter is also said not to have reached the person addressed. The article further says, "It is evident that the mail between here (Ogden) and this (Salt Lake) city. Now, it is evident to me that the writer of that article is unInformed, and thus Ogden has nothing whatever to do with the matter. The mails which are made up at the Brigham City postoffice for Salt Lake City do not pass through this office, hence what has Ogden to do with the matter? Besides. If the fault lies between Ogden and Salt Lake City, why not locate it, and "go for it?" But the fact is, the fault, if there be any, lies between the office of mailing and the office of destination. Please insert this in your next issue and oblige, yours respectfully,

J. HALL, P.M.

The writer of the article in the NEWS was aware that the northern mail was transferred at Ogden without going through the Ogden postoffice, and consequently in the article no reference was made to the Ogden postoffice and no reflection was cast or intended upon it. The Brigham City postmaster makes affidavit that the letter was sent from his office.

LATEST BY TELEGRAPH.

EASTERN.

NEW YORK, 28.—Foreign papers announce the death recently, in London, of Lady Shelly, also, of the Duke De Balecarlie, brother of Oscar 2nd, of Sweden. The death is also announced of Maj. Gen. Patrick Yule, of the English Royal Engineers, who served in Canada in 1812.

A gentleman residing near the murdered Goodrich, makes a voluntary statement that he frequently observed a woman in Goodrich's house, and that she and Goodrich acted as man and wife. When the woman, now in custody, was questioned yesterday she was very evasive. Circumstantial evidence is strong against her.

Foreign letters report that Sir Bartle Fere has failed in his mission to the Sultan of Zanzibar against the continuance of the slave traffic.

BALTIMORE.—The action of Bishop Foster in assigning Rev. Dashfield to the pastorate of Madison Avenue Methodist Episcopal Church, instead of appointing Rev. Hatfield, of Chicago, who was desired by the congregation, causes great indignation and may lead to trouble.

NEW YORK.—General Fremont thinks he has had injustice done him in Paris. In reading the testimony he found that many witnesses perjured themselves in the late trial there. He is undecided what to do. He may hereafter go to Paris and have the case re-opened and tried on its merits.

Stockwell has been obliged to mortgage over a million worth of property of the Howe Sewing Machine Co., to the Pacific Mail Co., to cover his late speculations.

WESTERN.

SAN FRANCISCO, 28.—John Devine, convicted of the murder of August Kamp, was brought before the Twelfth District Court to-day, for sentence. Judge McKinstry asked him what he had to say why judgment of death should not be pronounced upon him, when Devine replied that he wished to make a statement. His counsel, Judge Tyler, interrupted him. Devine again said he wished to make a statement. Judge Tyler then said that, as his counsel, he did not wish him to make any statement at that time. Upon this Devine refrained from speaking, and the court sentenced him to be hanged on May 9th. He received his doom with stoical indifference.

The trial of H. McCausland, for the murder of Noah Mullendore, was resumed to-day in the same court, and testimony for the prosecution is being taken.

EUROPEAN.

LONDON, 28.—The grand national steeple chase, near Liverpool, was won by Captain Machell's "Disturbance." The favorite horse, "Postman," fell at one of the jumps and broke his neck.

EASTERN NOTES.

Stanley didn't get very favorable notices from the Chicago press the morning after his recent lecture there. This is from the *Times*: "After one has seen this Hennery, and heard him cackle his story, one cannot help entertaining a rather poor opinion of the venerable doctor for allowlnging such a person to discover him."

A Pennsylvania college proposes to establish a department of cookery. A bill is pending in the legislature which provides for an appropriation of $20,000 to build the general cook shop as an adjunct to the college, and the science of cookery will, therefore, become a part of the curriculum if the bill passes.

Willis Williams, of Islesboro, was out on the ice, hunting sea gulls, when an accidental discharge of his fowling-piece wounded him in the thigh. He smeared his dog's face with blood and told him to go home, which the animal did, and the blood alarmed the family, and they followed him to the place where the young man was lying.

Englishmen are beginning to direct their attention to the vast herds of cattle in the Western States, and the question has been raised whether or not an experiment to transport some of our superfluous live stock across the Atlantic would be successful. It is suggested that a fleet of steamers should be constructed specially for this trade, and it is claimed that the receipts would largely exceed all expenditures.

ORGANS
Now offered for sale, at corresponding prices, in this Territory to a trial of the following points of excellence:
Power and Quality of Tone,
Variety of Effects,
Beauty of Design,
Excellence of Workmanship,
And Durability.
We claim that the
PRINCE
is the
BEST ORGAN OFFERED TO THE PUBLIC
in this market and, to convince all there we mean just what we say, we are prepared, at any time, to test our
Prince Organ against the Estey,
as follows:
$125 Prince Organ against $125 to $145 Estey
$150 " " " $150 to $175 "
$170 " " " $170 to $190 "
$300 " " " $300 to $350 "
$250 " " " $250 to $300 "
We propose to select our Organist; are willing to accord the same privilege to the contestant, and therefore shall not object to any Organist in America performing on the Estey, not excepting Mr. Estey himself.
Judges, selected in equal numbers by ourselves and the contestant, and an Umpire to be agreed upon by both parties shall decide upon the merits of the Organs.
We would suggest the Music Hall, 14th Ward, as a central, convenient place in which to have the Organs tested.

THIS IS THE
MEDICINE OF NATURE.

PLANT'S
HERBAL MEDICINE STORES,
10th Ward—E. L. PLANT.
Composition Essence.
"Composition" is extensively used and much valued in Colds, Influenza, Pains in the Stomach and Bowels, Bowel Complaints, Cold Feet, Cold Sweats, &c., &c. As a general remedy it is a sure preventive of Colds, if taken freely and the best substitute for all stimulants used by parties exposed to cold weather. By many it is used as a substitute for tea and coffee, and instead of brandy or such liquors, after dinner or supper, who find it much better than those stimulants, and without any of the bad effects intoxicating drinks produce.
The "Essence" makes a much more agreeable tea than the "Powder"—agrees better with the stomach, does not require boiling water, is made ready at once, and will keep any length of time. Families will do well to keep so useful a remedy by them for a time of need. Prepared and sold only by E. L. PLANT.
Pulmonary Lozenges.
Nothing that has yet been discovered can be compared with these Lozenges in their beneficial action upon all forms of those respiratory organs; so simple, that they may be administered with the most perfect safety to the youngest children, yet sufficiently strong to arrest the progress of many of the most formidable pulmonary complaints, whether cough, croup, hooping cough, pneumonia, pleurisy, asthma, difficulty of breathing, and that fatal disease, Consumption, of which over 60,000 die annually in England.—10, 25 and 50 cts. per package.
Plant's Waterdock and Bilious Pills.
As a remedy for loss of appetite, flatulency, sick headache, giddiness, cold eructations, costiveness, languor, nervous debility, heartburn, waterbrash, oppression after eating, depression of the mind, and all the distressing symptoms dependent upon indigestion; they surpass any remedy ever before presented to the public.
