Ayer's Sarsaparilla,

For Purifying the Blood.

This compound of vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake, with Iodide of Potash and Iron, makes a most effectual cure of a series of complaints which have very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions on the skin are the appearance of the surface of humors that should be expelled from the blood. Internal tumors are the determination of these same humors to some internal organ, or organs, whose action they destroy, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone the disorder they produce disappear, such as Ulcerations in the Lungs, Stomach, Kidneys, Tumors, Eruptions, and Eruptive Diseases of the skin, St. Anthony's Fire, Pimples, Pustules, Boils, Blotches, Blains, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa arising from internal ulceration and uterine disease, Dropsy, Dyspepsia, Emaciation and General Debility. EVENING NEWS.

Monday, . Dec. 11, 1882.

MINUTES OF AUSTRALASIAN CONFERENCE.

A conference of the Australasian Mission of the Church of Jesus Christ of Latter-day Saints was held in the Knight's Town Library, Christchurch, Canterbury, New Zealand, October 22, 1882. Present from Utah, Elder Wm. M. Bromley, president of Australasian Mission; Elder Wm. Burnett, president of 1st district; Elder Peter E. Hansen, Ira N. Hinckley and Walter R. Barber, traveling missionaries, also Presidents P. J. Nordstrand and Hans P. Jensen, with a full attendance of other officers and members.

11 a. m.

After singing and prayer President Bromley stated that a council of the Priesthood was held the previous evening, in which matters of business pertaining to the Australasian Mission were unanimously decided upon, and the same would be presented before this Conference for the consideration of all the Saints present. It is the prerogative of the members to express by vote their approval or otherwise, of all matters which are presented for their consideration; always remembering that the covenants made cannot be disregarded or broken without the person so doing becoming subject to the displeasure of our Heavenly Father. He also invited an intelligent consideration of all matters presented.

Arthur Porter was appointed secretary, and Ira N. Hinckley assistant secretary, and unanimously sustained by the meeting.

The First Presidency, general and local authorities of the Church; also the following appointments ware presented, and sustained by unanimous vote:

Elder Alma Greenwood, to labor in Auckland district.

Elder Lucien C. Farr, to labor in Wellington district, to be assisted by Elder P. E. Hansen.

Elder Joseph S. Morris, to labor in Invercargil district, to be assisted by Elder Joseph Bastow.

Elder Ephraim Ralphs, to labor in Dunedin district, to be assisted by Elder Nathan Ricks.

Elder Ira N. Hinckley, Jun., to labor in Timaru district, and Elder Walter R Barber, to visit Le Bon's Bay to recruit his health.

President Bromley stated that he had visited the above named districts and established headquarters in each.

The total number of branches represented were eight, consisting of thirty Elders, eight Priests, three Teachers, two Deacons, one hundred and twenty-two members, one hundred and twelve children blessed, showing an increase of thirty-four since last conference, one cut off, also twelve Utah Elders in the mission.

Communications were read from the following branches, viz: "Auckland, Carterton, Alford Forrest, Timaru, Dunedin and Invercargil, showing that in these places the Saints were enjoying the spirit of the Gospel, and energetic measures were being taken to disseminate the principles of truth among the people.

President Jensen reported the Le Bons Bay branch, with one exception in good standing.

There is but little interest manifest by those outside the Church, although the Elders have faithfully warned the people.

President Nordstrand reported the Christchurch branch as follows: Since last conference this branch has been visited and labored in more or less by the following Utah Elders: President Bromley, and Elders Morris, Burnett, Barber, Ricks, Hansen and Hinckley. A great many tracts have been distributed and house visiting done, but without any other apparent result than bringing the gospel to their notice. We have tried faithfully to obtain a public hall for the Elders to preach in, but without success; the secret societies who hold the halls in this place have combined themselves against us, and the people have no time for the Gospel; money, women, and the honor of the world appear to be their only aim. The Saints in this branch are doing well, paying their tithing, and otherwise helping to promulgate the gospel.

Supt. Porter reported the Sabbath school as being in a flourishing condition, and his assistant teachers energetic. He was pleased to state that the number of scholars was increasing, and the interest manifested by the children was abundantly evident by the pains they take in committing to memory their lessons and the instructions imparted to them. He had adopted the plan of rewarding them according to merit, issuing cards, books, etc., and found this course resulted ingood, but was sorry the prizes issued were not the production of the Church, for although they contain much that is good, still error is mixed with it.

President Bromley said, there were other Sunday Schools organized, and likely to be more in the near future, it was therefore wisdom to appoint a general superintendent to direct the whole, whereupon Elder Porter was appointed to this position and the appointment unanimously sustained. Sister Louisa Porter Secretary of the Female Relief Society presented a report which was read and on motion it was resolved to forward a copy of the same to the *Woman's Exponent*.

The Missionaries present all spoke, testified of the providence of God extended to them, and also of the bitterness and opposition to the truth which they met, although a few honest souls received the truth. The following officers were then unanimously sustained viz Peter J. Nordstrand, president of the Canterbury Conference, also president of the Christchurch Branch; Wm. John McDonnel, president of the Auckland Branch; Wm. Wiley of the Carterton; Hans Peter Jensen of the Le Bons Bay; Charles Petersen of the Timaru; Joseph Dyson of the Dunedin; Henry Williams of the Invercargill also Elder Bennett Clerk to take charge of the Alford Forest Branch until an Elder is set apart to preside in place of President Hutchison (resigned).

Pres't. Bromley explained the duties of the officers and members and urged all to be diligent in the discharge of their duties.

Conference adjourned.

2.30 p. m.

After singing and prayer the Sacrament was administered by Elder O. Larsen and Priest Mitchell, after which the time was occupied by the brethren and sisters in bearing testimony and speaking of the goodness of God towards them. Among other gifts the meeting was blest with the spirit of prophecy. Adjourned.

6.30 p. m.

Conference again convened and after singing and prayer was addressed by Elders Burnett, Hansen, Hinckley, Barber and Prest. Bromley. There were very attentive congregations at all the meetings, much of the Spirit of God was enjoyed, the spirit of love and unity characterised the entire proceedings, prominent among which the excellent singing, led by Elder Porter, was noticeable, making the day one long to be remembered by all who were participants in its blessings.

WILLIAM M. BROMLEY, President of Conference.
ARTHUR PORTER, Secretary.

WASHINGTON LETTER.

The First Day of the Session—A View from the Reporter's Gallery—Tableaux Vivant.

WASHINGTON, D. C., December 4th, 1882.

Here we are again, looking down from the unclouded heights of the Reporter's Gallery upon the Congress of the United States. Below are the chosen representatives of fifty million of the most progressive people in the world. The House has not been called to order, and for this reason, perhaps, is in great disorder. Maine is shaking hands with Texas; Western heartiness and Southern warmth are actually patting each other on the back, from Oregon to Florida; while Massachusetts and South Carolina have half lost their individuality in this the common Hall of States. We see no political sections or bi-sections yet; no shades of blue and gray. All are moving, writing, talking, laughing and greeting each other with the abandon of boys returned to the *campus* of their Alma Mater after a long separation. And what an eventful reparation it has been! But see, the hand on the dial points to eleven. The sharp rat-ta-tat of the gavel is heard. To your seats legislators! Divide yourselves antagonistically, irreconcilably, politically; north, south, east, west, tariff and anti-tariff, republican and democrat, while the pale chaplain implores a blessing on your *common country*, the *United States*. Amen! Now, gentlemen, perform your promise made on the hustings and proclaimed in platforms, to say nothing of your unpublished promises of place and preferment, which you should never have made, to influential constituents, and, above all, be virtuous, and the country will be happy.

It is too early to foretell the course of legislation. Influential members and senators do not hesitate to express their views, but the views of legislators do not always result in accomplished legislation. There is a wide concensus of opinion among the republicans, that there should be an almost total abolition of internal revenue duties, but, it is believed that a majority of Congress will oppose any change in the whisky, beer and tobacco taxes, which make the bulk of the internal revenue assessment. A large element of the republican side of the House and Senate, whether tariff men or free traders, are opposed to any reduction whatever on whisky or tobacco, though they may consent to a slight reduction on the latter.

It is believed that no comprehensive review of the tariff schedules will be made, but it is possible that the tariff may be removed from a dozen or two articles on which there is universal agreement.

There will doubtless be much discussion of the civil service reform question, and it is probable that a bill fixing the tenure of office during good behavior, for a stated term of years will be passed.

Public sentiment is strong that a conviction is sure to follow this second trial of the star route cases, and the counsel for the government express the utmost confidence that such will be the result. The government counsel aver that they have additional and exceedingly important testimony of a most convincing character to offer. The defendants are very frequently seen in public places, but they look much subdued and have little to say.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame. I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
