

CONFERENCE TRAVEL HEAVY.

Believed That the Attendance Will
Surpass That of Some Pre-
vious Aprils.

RAILROADS HANDLE CROWDS.

Nearly 4,000 Visitors Already Arrive
in Salt Lake—As Many More
Tomorrow.

From reports received from the various agents on the Rio Grande, Oregon Short Line and San Pedro systems indications are that the attendance from outside points to the seventy-fourth annual conference will be above the average. Assistant General Passenger Agent D. S. Spencer of the Oregon Short Line is authority for the forecast that it will be the heaviest April conference on record, not counting the dedication of the Temple and the "manifesto conference." As yet travel from the north seems to be the heavier, the southern delegations not showing up as heavy as anticipated. By tonight, however, all will be in a position to more accurately estimate the number of strangers heading for Salt Lake.

To date the Rio Grande Western passenger department claims 1,100, the Oregon Short Line 1,500 and the San Pedro close upon 1,000 conference visitors. The heavy travel, however, will commence in earnest tonight, while those from Davis, Salt Lake and Weber county tonight will most of them come in on Sunday morning.

The occasion of the heavy travel is said to be the fact that owing to the recent stormy weather the ground is in too wet condition to permit plowing and field work generally.

HARD AT WORK.

Changes in Operation of Oregon Short
Line Make All Hands Busy.

The changes that went into effect on the Harriman system yesterday have had the effect of making everybody connected with the operating department busy. In Mr. Bancroft's office all hands are up to their eyes in work. Today Gen. Supt. E. Buckingham and H. V. Platt, superintendent of the Utah division, are in Ogden looking over things there, and it is thought there will be some changes following the visit. From Associated Press advices from San Francisco the changes as previously outlined went into effect yesterday on all the lines involved.

Congratulations in Order.

The following announcement will be read with interest in local railroad circles: Mrs. William Arthur Pitt announces the engagement of her daughter, Lillie to Paul F. Nolan.

It is understood that the wedding of the secretary to Assistant General Freight Agent Derrah of the Rio Grande and the charming young lady will occur this summer.

TO REMOVE EXECUTORS.

Relegh Heirs Protest Against William
Asper and Alfred Solomon.

Emily F. Raleigh and 12 other heirs of the estate of A. H. Raleigh, deceased, today filed a petition in the probate division of the district court, asking the removal of William Asper and Alfred Solomon as executors of said estate for the reason that they have failed to perform the duties of their trust faithfully. It is charged that the executors have sold certain real property of the estate at a great loss to the estate and at a figure much below its real value. They fear that if continued as executors they will make other sales at a loss to the estate. Hence it is asked that they be removed and that the Utah Savings & Trust company be appointed as special executor of the estate.

BIG FINANCIAL MISTAKE.

Made by the City Council Ten Years
Ago and Has Cost \$50,000.

It is believed that a very costly mistake has been made by the city council of 1894 in regard to the \$300,000 bond issue of May 1 of that year. The mistake has already cost the city \$50,000 in the past 10 years in interest and may cost it another like amount for the next 10 years. The issue was thought to be for 10 or 20 years and the interest in 5 per cent. Mayor Morris in his message to the council on Feb. 10, recommended that these bonds as well as the \$548,000 issue of July 1, 1892, be refunded at once and issued at a lower rate of interest thus saving a large amount annually to the city. The \$548,000 issue has just been refunded by the council, but upon looking up the ordinance in regard to the \$300,000 issue it was found that the bonds were 20 years straight instead of 10-20 years. Thus the city will be compelled to pay 5 per cent interest on them for the next 10 years instead of refunding them at 4 1/2 per cent. The most serious mistake in connection with the matter is that 20-year bonds at that time were placed at 4 1/2 per cent yet, notwithstanding that fact, these bonds were issued at 5 per cent. In all succeeding references on record in the city auditor's office the bonds are mentioned as 10-20 years bonds, and the city auditor in his annual report for '93 so referred to them.

BULLION-BECK WINS.

The Supreme Court Affirms Judgment
Against Eureka-Hill for \$105,000.

The supreme court today affirmed the judgment of the lower court in the case of the Bullion Beck & Champion Mining company vs. the Eureka Hill Mining company, appellant. The action was brought in Juab county to recover treble damages for the value of ore which were secretly and unlawfully extracted from plaintiff's mine by the defendant through underground crosscuts and tunnels. The case was tried before a referee and judgment was rendered in favor of plaintiff for the total sum of \$105,937.77. Of this amount the court remitted the sum of \$26,728.86. The defendant appealed from that judgment, but the supreme court has sustained the lower court in its findings.

SOUTHERN STATES ELDERS

Are Asked to Meet at the Assembly
Hall Monday Afternoon.

Elder Ben E. Rich will be pleased to meet all Elders who have labored in the Southern States mission at the Assembly Hall, Monday afternoon, April 4, immediately after the afternoon's session of the conference. It is requested that any meeting of Elders, who have labored in any of the conferences of the mission, which may conflict with this date will be postponed so that all the Elders who have labored in any conference of the Southern States mission will meet together at this appointment, as business of great importance will be placed before the congregation of Elders and a large attendance is urged.

CONFERENCE OF RELIEF SOCIETY.

Two Interesting Meetings Held
Today in the Assembly
Hall.

STAKE OFFICERS GIVE REPORTS.

Much Interest Taken in the Storing
Of Grain for Use in Time
Of Need.

The Relief society conference was held today in the Assembly Hall, commencing at 10 o'clock. Mrs. E. B. Wells offered the opening prayer, and Prest. Bathsheba Smith delivered an address of greeting, while Mrs. Maggie Hull led in the beautiful music. The minutes of the previous conference were read by the general secretary, Mrs. E. B. Wells, and the reports of a number of stake officers followed, the presidents or their representatives responding.

The reports were nearly uniform in nature, and testified to the spirit of unity in which the officers and members of the societies worked, the general desire of all to follow out the spirit of the organizations and work for the relief of the poor, the sick and afflicted. All the stakes reported that much interest was taken in grain storing, and while some of the stakes were not grain raising districts and had no import of grain, yet money was being collected and saved for the purpose, and when the right time offered itself would be expended for that purpose. Each representative dwelt on the interest taken in the mothers' classes, and stated that these had brought out a great many young mothers to the meetings, and that money had been raised, in some instances, to have copies printed of the outline of work, to be distributed among the wards.

Encouraging reports were also made of the nurses' classes and work, and each stake reported a large number of branch organizations, and spoke most encouragingly of the interest manifested, and the work done.

The music consisted, besides the congregational numbers, of a charming duet by Mrs. Burton and Miss Margaret Hull, and a solo, "Sometime, Somewhere," beautifully rendered by Mrs. Hull.

Reporting at the morning session were as follows: Bannion, Mrs. Rebecca Rawlins; Boxelder, Mrs. Susan L. Booth; Kanab, Mrs. Annie Segmiller; Liberty, Mrs. Annie S. Musser; North Sanpete, Mrs. Wilhelmina Erickson; Tropic, Mrs. Louise Jennings; Davis, Mrs. Jane Hope; Panguitch, Mrs. Elizabeth De Long; South Sanpete, Mrs. Alma L. Cox; Sevier, Mrs. Mary L. Swindall; Summit, Mrs. Salmon; Tropic, Mrs. Susan Wilson; Wasatch, Mrs. Annie K. Duke; Wayne, Mrs. Leah Blackbar; Woodruff, Mrs. Sarah Tyson.

Mrs. Julia Smith who was to have spoken this afternoon, but could not be present, was called upon for a few remarks, and said that she had been much gratified to see the large attendance, and to hear the encouraging reports from the various stakes. She hoped that there would be time to hear from all the organizations, and that all had representatives present.

An announcement was made that the stake representatives were invited to the home of Mrs. Phoebe Y. Beattie to luncheon at 12 o'clock, after which the meeting was dismissed with prayer by Mrs. Emma Woodruff, to convene at 2 o'clock.

The afternoon session was a most interesting one, consisting chiefly of addresses by the counselors and other officers in which the great aim and work of the society was dwelt upon, and the possibility and scope of its results pictured in eloquent terms.

There was singing by the assembly of various of the Church and other hymns, and Mrs. Nellie Bruce Pugsley gave a beautiful vocal solo.

The speakers of the afternoon were Mrs. Annie T. Hyde, Mrs. Ida Smoot Dusenbury, Mrs. Clarissa S. Williams, Mrs. Rebecca Little, Mrs. Annie Wells Cannon, Susan Grant, Mrs. Emily Richards, Elizabeth S. Wilcox, Mrs. Harriet Harker. The benediction was pronounced by Mrs. Priscilla Jennings.

Monday at 7 p. m. a reception will be held at the home of Mrs. Annie E. Hyde in honor of the stake officers. On Tuesday the officers' business meeting will be held in room 33 of the B. Y. Memorial building.

U. OF U. GLEE CLUB.

Student Singers Made a Great Hit on
Their Initial Appearance.

The University Glee club, assisted by Prof. Geo. E. Skelton, made its bow to the public last evening at the museum hall and proved to be an instantaneous success. Prof. Skelton was in especially good form and received generous applause for his skillful manipulation of the violin. The songs rendered were distinctly appropriate and well rendered under the direction of Alfred Best, Jr. There was a large attendance of students and friends from the city.

The members of the club are as follows:

First Tenor—J. R. Smith, David Leek, R. H. Barton, A. R. King.
Second Tenor—L. E. Cluff, G. J. Ward, H. W. Soule, G. A. Carlson, W. H. Reese.

THE GROWTH OF SAVINGS.

Attractive Features of the Modern Savings Bank.

The many attractive features that have recently been offered to depositors by the Utah Commercial & Savings Bank have resulted in a steady increase of deposits. The fact that the number of small depositors has been more than doubled by this bank within the last two years, shows that the people are being educated to the savings habit.

City depositors are furnished with handsome home saving banks, forming an attractive receipt for small savings.

Out of town customers are enabled to do their banking by mail with as much ease as though they had a bank in their own town.

If you are interested in the workings of a modern savings bank and want any information upon the subject, call or address the Utah Commercial & Savings Bank at 22-24 East First South Street, and you will meet with courteous treatment.
