Excelsior Manufacturing Comp'y.,
ST. LOUIS.

THESE WELL-KNOWN AND VERY POPU-
LAR COOKING STOVES have been before
the public since 1852. Each succeeding year
has added to their popularity, until the name
has become familiar in every household in the
West and South. The demand for our

New Charter Oak

last year was greater than we could supply with
the sizes then made; anticipating a still greater
demand during the present year, we have made
patterns for several additional sizes, and are
prepared to manufacture 120 to 130

CHARTER OAK STOVES

per day, of

TWENTY-EIGHT DIFFERENT SIZES.

We guarantee the operation of every stove we
manufacture, and offer as reference any one of
the many thousands that have been sold, where-
ever they may be found. Neither labor or ex-
pense has been spared to make our NEW
CHARTER OAK a

Perfect Cooking Stove,
and we offer it to the trade as the BEST CON-
STRUCTED, MOST DURABLE and UNIFORM
operating COOKING STOVE in the market.

In addition to our EXTENSIVE STOVE
BUSINESS we are prepared to offer to Stove
Dealers, Tinsmiths and others in the trade, the
largest and most complete assortment of Metals
and Tinsmiths' stock in the West. Our arrange-
ment with the St. Louis Stamping Company
enables us to give liberal discounts to large
buyers of FRENCH STAMPED TINNED
IRONWARE and Tinsmiths' Supplies. Having
recently reduced the prices of all articles of our
OWN MANUFACTURE, we believe dealers
and housekeepers will find it to their interest
to send for Catalogue and Price List, and ex-

Correspondence.

LOGAN, June 2, 1868.

Editor Deseret News:—Dear Brother
—I have no doubt but a few lines per-
taining to the Saints in Cache Valley,
will be of interest to your readers.

On arriving here I met with President
E. T. Benson and Bishop Peter Maugh-
an, who received me with the greatest
kindness, and felt to ask God to bless
me on my mission to the Quorums of
High Priests and the Saints throughout
the different wards in this valley.

I have visited ten settlements, held
thirteen meetings, and assisted in or-
ganizing three Female Relief Societies.
All these meetings were well attended,
and the people felt to rejoice; and ac-
cording to my judgement there is a good
people living in Cache Valley. Crops
are looking well, and bid fair for an
abundant harvest. This is one of the
most lovely valleys I have seen in the
mountains, and is very inviting for
farmers and mechanics. It is not a sage
plain but a plain covered with good
grass and grain.

I must express my feelings and grati-
tude to the people where I have travel-
ed, for the kind attention and hospital-
ity they have shown to me on this little
mission to the northern settlements,
which will be long remembered by me.

Respectfully,

Your Brother in the Gospel,

WM. J. SMITH.

PLEASANT GROVE, Utah Co.,
June 5th, 1868.

Editor Deseret News:—Dear Brother:—
The Pleasant Grove Female Relief
Society (having previously collected to-
gether materials) met at our large hall
to-day for the purpose of organizing,
putting together, and making some-
thing valuable out of that which, in a
scattered condition, had little or no
value. Your humble servant, at the in-
vitation of the Presidentess, Sister
Elizabeth Brown, and Sister Neff, one
of her Counselors, spent an hour in the
afternoon very agreeably, in looking
through the establishment. It would
be a difficult task to describe the gen-
eral appearance of the hall. A bee hive
is considered a busy place, but there
only one class of work is performed.
On this occasion I found ninety-two of
our Sisters, all with busy hands em-
ployed; some piecing quilts together,
some quilting, some carding batts, some
knitting socks, some making shirts,
some sewing carpet rags, and some
picking wool. Work commenced at
9 o'clock a.m., and at 4 p.m. three quilts
were completed, and the fourth pretty
well under way, besides a great amount
of other work having been done. This
Society was organized since April Con-
ference, and has already been instru-
mental in doing much good in collect-
ing provisions and ministering to the
necessities of the poor. May God bless
these Sisters in their labor of love!

Yours, ELIJAH MAYHEW.

VIRGEN CITY, May 31, 1868.

Mr. Editor:—Sir,—I take my pen in
hand, to record the event of the organi-
zation of a Female Relief Society in
this, one of the most remote settlements
of our Dixie home. It is an event which
shows that the desires of the people to
fulfill all duties obligatory, and answer
all calls made upon them by our worthy
President. A new organization has
been instituted here from the Bishop
down to the Deacon's Quorum which
has given a new impetus to all the in-
terests of the ward. We expect that
the name of Virgen City will yet denote
a settlement of some importance. Ac-
cording to previous appointment, meet-
ing was held in the Virgen City Hall,
on May 30th. Bishop J. Parker opened
the meeting, and said that he had called
the meeting to fulfill the desires of
President Young that the sisters should
get together to organize female relief
societies. He called upon Br. Robert
H. Reeve to read the article on female
relief societies from the DESERET NEWS
Brothers Martindale and Jepsun then
addressed the meeting, making some
very appropriate remarks.

After suitable remarks from Bishop
Parker, the following organization was
effected: Mrs. Ellen Parker, Presi-
dentess; Mrs. Susan Johnson, First
Counselor; Mrs. Sarah Wright, Second
Counselor; Miss Alice Parker, Secre-
tary and Treasurer. Several of the sis-
ters were appointed as visiting commit-
tees. Everything went off in excellent
order, and the best of feelings prevailed.

G. ISORA, Clerk.
