very hot, and therefore it is just best to apply a little salve to the inflammatory conditions. A good many of them are really bluish.

...that Japan's telephone system is still a great temporary disturbance of business, but not more.

I say, they are afraid of the time they believe it would last. If they could just go to sleep for six months and then wake up they would all be fit again.

"All old farmers from the western part of the state, knowing I was a slave man, said that his country—A German—

political majority would give itself a line; that majority. He added that all of the surrounding colonies, which are agricultural in character, are also free. It may be that this con-

the state go far beyond, but I don't think so. The citizens of Iowa are very much distressed. They are getting out business quite a number of

under favorable circumstances. They certainly know that something is swirling there and swirling there hard.

POLITICAL POINTERS,

Attorney J. M. How is making preliminary speeches before the jury.

Every possible effort is being made

H. A. Keener and James Thompson will hold forth in the subject of the

Mr. M. Natchez, a prominent Wyom-
ing attorney who is stamping his signa-
ture upon the bill, was yesterday

B. W. Hixon, H. D. Stratton and A. T. Stanford will talk the Democracy in the Twenty-third ward meeting house in North Main Lake this evening.

St. George, Utah: There will be a Republican county convention held in Loa, Utah, on October 17, 1926, to nominate a full county ticket.

Charles Harkness addressed a political meeting at Eureka last night. They also spoke at Mammoth during the afternoon.
