

HALPIN'S CHARGES CAUSE TROUBLE

Makes Athletic Situation More
Serious Than Ever—To
Prove Allegations.

New York, Dec. 29.—The charges made by Matthew P. Halpin in his statement giving his side of his controversy with a number of athletes who took part in the Olympic games at Athens, have made the situation more serious than ever. It is said that Ray C. Ewry, the jumper, who is accused by Halpin of professionalism, will be called before the registration committee of the Amateur Athletic union to show cause why he should not be disqualified on Halpin's charges and that Halpin will be called upon to substantiate his charges. Halpin states that Ewry has taken part in contests in Europe and at Monte Carlo and there around the athletic clubs and there to be a disposition on the part of Ewry to attempt to bring the controversy to an end without further publicity, as it is recognized that the trouble between Halpin and athletes on American athletics and athletes. Unless the controversy is amicably settled it is not probable that the general committee of the London Olympic games will take the matter up. So far, it is stated, only \$100 has been contributed to a fund to pay the expenses of an American team at the games next summer and the arguments among the athletes, a number of whom are seeking the newspapers for their troubles will not aid in the collection of money for the team. In the meantime college men are watching the controversy closely and it is said that preparation are being made to form a fund and offer to the American committee a team composed of the strongest college athletes for the country for the London competitions.

TAD PICKS ATTILL

Thinks the Little Jew Will Beat Owen Morgan Tomorrow.

Abe Attell, America's greatest little fighter, will do battle with Owen Morgan, the middle of England, New Year's day afternoon in Frisco. Attell is picked by the best authorities in the country to win and will doubtless be the crowd's favorite when they enter the ring, writes Tad.

Morgan is a grand little fighter. He is the greatest two-handed boy that has visited us in the past ten years. He is no "Squire," nor is he a "Gambler." He didn't come here with a troop of drummers announcing his arrival. He is a great favorite for the east and since he stopped Frankie Neil in the west, his stick has gone sky high. However, that Attell person is beyond doubt. You can't figure Abe at all. He's simply a wizard. He has seen Morgan fight. He was in his brother Monte's corner, to fight the boy who beat his brother, Jeffries. When he saw Morgan fight, he was in his brother Monte's corner, to fight the boy who beat his brother, Jeffries. When he saw Morgan fight, he was in his brother Monte's corner, to fight the boy who beat his brother, Jeffries.

EASY FOR DENTIST

Casey, the third baseman of the Brooklyn club, is a dentist. He also is a good bryer player. Recently, when the Brooklyn team was on its way from St. Louis to Chicago, a little game was started in the smoker, and the party was made up of Pat Donovan, Casey, Fawcett and Ritzman. They had been playing only a short time when the secretary called Pat Donovan into the parlor to talk over a matter of business, and when Pat was getting up from his seat he turned to Donovan and said: "Take my place until I return, Harry."

GUN CLUB MEETING

The annual meeting of the Salt Lake gun club was held last evening with a big attendance. Plans for the coming season of trap shooting were discussed and officers were elected for the year. The officers elected were: J. F. Cowan, president; J. H. Hefling, Jr., vice president; W. S. Vincent, secretary; J. H. Hefling, Jr., treasurer; H. C. Keefe, captain; executive committee, H. C. Keefe, W. H. Parker, J. M. Brown.

CONTEST AT LAGOON TOMORROW AFTERNOON

Rube Smith and Charley Williams have now tapered off in their work, and reports from the training quarters indicate that the two welterweights will be in the best possible condition when they step into the ring at Lagoon tomorrow afternoon. During the past few days Smith has been at pains to assure his friends that he is in fine fettle and much stronger than he was on the eve of his contest with Mantell.

They will box for fifty per cent of the gross receipts, of which seventy-five per cent will go to the winner and twenty-five per cent to the loser. They will meet in the ring at 12 o'clock, noon, the day of the contest. The bout will commence about 3 p. m. Tom Painter, of Wyoming, will referee the match. Smith and Williams have both been holding open house at their training camps for the entertainment of the public. Williams first attracted notice as a possible factor in his own division of the ring when he met and defeated Jack Christie, of this city. Freddie West, the popular bicycle rider, and brother of Tommy West, the famous bantamweight will box Tom Fitzgerald, the late sparring partner of Fighting Dick Hyland, preliminary to the Smith-Williams contest. Fitzgerald won the Olympic club tournament at San Francisco, California, two years ago.

SPRING MEETINGS

New York, Dec. 30.—The greatest closing of stakes in the history of racing in America, will take place next Thursday, when, under the agreement between the three great clubs that control racing at Sheepshead Bay, Brighton Beach and Gravesend tracks, the entries for the big events of the year will be closed.

A total of sixty stakes for the spring meetings and ten additional events for the fall season will be closed on that day, the total value of the stakes as closed being only a little under \$200,000. The Brooklyn handicap, the Suburban and the Brighton handicap will be among the events closed. The value of the Brooklyn and the Suburban have been raised this year to \$25,000, the value of the Brighton.

KELLY AND PAPKE FIGHT TO A DRAW

For Ten Rounds the Husky
Fighters Battle
Fiercely.

Milwaukee, Dec. 30.—Hugo Kelly of Chicago and Billy Papke of Spring Valley, Ill., fought ten fierce rounds to a draw before the Badger Athletic club tonight. Both fighters started in hammer and tongs at the first tap of the gong, using right and left with magnificent effect. Kelly knocked Papke down, the Spring Valley boy taking two of the count. The first round was easily Kelly's. The second round ended with honors even. Kelly seemed to have the first half, and Papke evening up matters in the last half. In the third round Papke drew blood from Kelly's right eye and Kelly in turn jabbed Papke's face, also drawing blood. The fourth round ended in even break. The fifth round was easily Papke's, he having felled Kelly and coming out with the body following this up with rights and lefts to the face with good effect and drawing blood. The fifth round was fast and furious for the first half, both fighters coming up toward the end, Kelly seeming to have the better of the round. Both men boxed in with rights and lefts to the head and body in the sixth round, Kelly appearing to have the better of the round. Papke slipped to the floor in the seventh round, but recovered without losing any rounds. Papke's seventh round was Papke's, Kelly being pretty well winded at the end of the round. In the eighth Kelly did something to the body and seemed very weary, but at this point the honors were a stand-off. The fight in the ninth, Kelly locked in to a decision for Papke, who had Kelly very weakly from a fusillade of rights and lefts and appeared to be the body and head, the going alone saving the Chicago man. In the last round Kelly came up strong and evened up any advantage scored by Papke up to that time. Kelly used right and left with good effect, keeping up a hot pace until the end of the fight, doing nothing for the referee to do but to declare the bout a draw. The decision was well received.

CHAMPIONSHIP TOURNAMENT. Coronado Golf for Men and Women Held in February.

With the usual contests and tournaments for the regular cups and prizes, the all-year-round sport at Coronado will maintain its wonted prominence in the 1908 season. The new links of the Country club have been put in model condition and now boast the best "asphalt-green" on the Pacific slope. Chief interest in Coronado golf naturally centers around the championship tournaments for men and women to be held in February. Mrs. Herbert Mum, of New York, who is the driving force of the club, has written the challenge cup for winner in 1907, has written that she will make a try for a second victory. Other golfers expected to be on hand when the tournaments open. The men's challenge cup was won last year by Fred McCall, a former state championship of Vermont. The schedule for 1908 is: January 5, approaching and putting contest for men. January 7, approaching and putting contest for women. January 13-17, Bogey handicap for men. January 20-24, Bogey handicap for women. February 3-7, championship golf tournament for men. February 10-14, championship golf tournament for women. February 24, driving contest for men. February 28, driving contest for women. March 2-6, handicap golf tournament for men. March 9-12, handicap golf tournament for women. April 4-8, consolidated handicap golf tournament for men. April 11-15, consolidated handicap golf tournament for women. April 24, men's golf competition (one club). April 28, women's golf competition (one club).

JEFF ON THE SCENE

Big Fellow Wants to See Fighters Go Some.

San Francisco, Dec. 30.—James J. Jeffries, the champion heavy-weight, who is to referee the Moran-Attell contest for the featherweight, arrived here today from Los Angeles. Referring to the coming contest, he said: "I don't think the Englishman is a tough nut. If he is the man they say he is he ought to give Attell a hard rub, but I would not care to name the winner. It wouldn't be the right thing to do. Jeffries vigorously denied the imputation in the club that he was inclined to favor the Englishman. He added: "All I can say is that both fighters will look alike to me as they always have. If they clinch and hold on I will step in and break them, but so long as they keep fighting I will not interfere. They can fight their heads off, and the harder they fight the better I will be pleased, for it will mean less fear for me. Moran need not have any fear about me butting. When I see fighting I liked to have my referee officiate."

JONES DON'T WANT IT

New York, Dec. 30.—"Tad" Jones, the great Yale quarterback and baseball catcher, has refused two offers to enter professional baseball. The first one came in the shape of an invitation to join the Cleveland team, and the second was an offer from Charles Murphy, of a place with the Chicago National League team. Jones will return to Yale next year and will be president of the Y. M. C. A. of the Sheffield Scientific school.

BRYAN TO OUTLINE VIEWS OF CAMPAIGN.

Lincoln, Neb., Dec. 30.—The list of speakers for the Democratic "dollar dinner" at Lincoln, Jan. 15, given in honor of William J. Bryan, was announced today, among them Gov. Charles N. Haskell of Oklahoma, Gov. N. B. Broward of Florida, former Senator Thomas M. Patterson of Colorado and William J. Bryan. Considerable interest attaches to the speech of Mr. Bryan, as outlining his views of the coming campaign and his idea of what should be some of the planks of the Democratic national platform.

NO INTEREST IN ESTATE

Chicago, Dec. 30.—Judge Barnes of the superior court held today that Mary McDonald, the first wife of Michael C. McDonald, the sporting man and former Democratic politician, now deceased, has no interest in his estate. The court also held that the trustees should not be enjoined from turning over her dower to the second wife, Vera McDonald, who is to be brought to trial tomorrow for the shooting of Webster S. Guerin.

INSANE WOMAN A SUICIDE

Chippewa Falls, Wis., Dec. 30.—In the presence of a large number of persons, Mrs. William McDown threw herself in front of a passenger train at Westfield yesterday, and was ground to death. Her husband made an unsuccessful attempt to rescue the woman. Mrs. McDown had been in a hospital for the insane and had been permitted to go home for the holidays.

ILL HEALTH CAUSES SUICIDE

Buffalo, Dec. 30.—George Werner, aged 67 years, of the George Werner & Sons' carriage repository, was found dead in his office today, having committed suicide by inhaling illuminating gas. Ill health is given as the cause.

ENFANT TERRIBLE AGAIN

"Hush, Nellie," said mamma, frown-

Nellie moved the bowl of her spoon

crack, and then exclaimed triumphantly:

PERSONALS

RHEUMATIC FOLKS
Are You Sure Your Kidneys
Are Well?

Many rheumatic attacks are due to
uric acid in the blood. But the duty
of the kidneys is to remove all uric acid
from the blood. Its presence there
shows the kidneys are inactive. Don't
daily with "uric acid solvents." You
might go on till doomed with them
but until you cure the kidneys you will
never get well. Doan's Kidney Pills
not only remove uric acid, but cure
the kidneys and then all danger from
uric acid is ended. Here is a Salt Lake
City testimony to prove it.

Mrs. A. D. McMichael, living at 324
West First South St., Salt Lake City,
Utah, says: "Doan's Kidney Pills
were used in my family some five
years ago and the best of result
were received. When we first started
using them, one of my children
suffered an attack of rheumatism but
he took Doan's Kidney Pills and they
very soon toned up his system, and
banished that trouble. I have also used
them and think there is no better reme-
dy on the market today. I have ad-
vised many people to try them and
they have received satisfactory results
from their use."
