### DESERET EVENING NEWS SATURDAY SEPTEMBER 14 1907

# THREE UTAH GIRLS "DID" EUROPE stillation is worthy of them-being the second of declamation. HOW

Miss Maud May Babcock and Miss Emma Lucy Gates of Salt Lake, Together With Miss Lylia Knudson of Brigham City, Take in the Sights-Pupil of Sarah Bernhardt in Paris-Visit to the Haunts of Dickens.

HERE are fourists and tourists. Some of them see America first and Europe, Africa and the othors after, and return with bird's eve impressions and experiences that could be put into detail on a dollar pisce; and others with material to fill olumes if time were taken to put them

32

volumes if time vero taken to put thum into indefible fluid. Miss Maud May Babence spent in Philadelphia, Roston and New York on this side, and the principal ethes of two continents on the other, and to her have inevitably happened the Dest things of the globe mentally and other-wise. They began with the eastern inp and then in January Miss Habeock, in company with Miss Lylia Kaudson salled for Europe landing at Funchal Miss Babcock describe as the most charming place on the globe- a remark which from a Utahn means something. The two companions toured the princi-pal etties of Spain and crossed the thing the Straits to Tangiers, which sine describes as quite the uncleases place on any coutines.

ceremonies of the oriental worshippers. At this place Utah came near localing her chief elocutionist. The Algoritan port is known as one of the most diffi-cuit of entrance, and when the HUle cruiser upon which the tourists were embarked neared the place a storm of wind, rain, sheet and fog set in making its approach doubly perilons. All at once in the darkness was beard a ter-rific blast from a fog horn: then a great commotion on shipboard, and in an in-stant a huge steamer shot past, mise stant a huge steamer shot past

the whole is considered rather a covered privilege. There is a saying in Heidel, berg that a student drinks beer and ducis for the first three years, and graduates in the fourth-money. Influ-ence or preference acting easily in the distribution of dintemax. RARE PRIVILEGE.

More Balacock spont three months in Paris, and noise had her banner ex-perience. It came through a letter fur-nished by Gov cutter to the American menasaidor which provided her ad-mission to the Boyal conservatoire de Declamation, a reachage so rare to for-expose as to bring forth expressions of genuine. French exchement from the personage who wrote her her letter of administration.

BERNHARDT AS INSTRUCTOR.

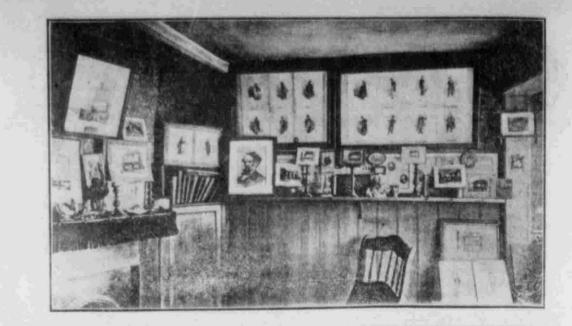

It is from the Royal Conservat It is from the Royal Conservation that the great theaters both of capital and of the provinces are cruited: managers come from all them to see the work of the stude and select for their special casts—M Babcock relates that the manager the Odeon Theater once criticized so have observation match by a stude plees of expression made by a stu-but was promptly corrected by class professor, who explained to

# Our Autumn opening takes place Sept. the 23rd, one week from Monday.

Though we are making a marvelous showing of new things for fall both in imported and do mestic lines, we will not make our formal opening until a week later than usual-we wish to so far excell all previous events of this character, that we feel it worth while to wait till everything is in-all our elegant inported millinery and costumes-more beautiful and in larger variety than ever before.

Monday September the 23rd and week, Salt Lake City will see the greatest beauty show of merchandise ever attempted in the west-it will be a marel-be sure and see the Walker opening before deciding on anything for this season. Many style changes will be revealed for the first time in this city-for if it's Walker's-it's exclusive.

### Juvenile section offers new things for fall

In the boys' clothing section you will find an interesting display of boys' suits in the new fabrics for fall. Every suit is perfect—each one has been as carefully made as if it had been an individual order. Styles are blouse and Russian for the little lads and the Norfolk and double breasted styles for the boys from 8 to 16 years of age. Prices begin at \$3.75 and range upward.

A full line of boys' caps and children's tam o'shanters in plain fabrics and fancy ideas. See each and up.

Children's white caps and tam o'shanters of beau-tiful serges and other white fabrics. These are worth from 65c to \$1.75 each. We offer them 10 close at just half prices.

First floor-Annex.

have been left on the smaller heat to tell the tale; but the memory of the Columbia disaster paints the story.

#### THROUGH ITALY.

From Algiers the two girls traveled through Inity, visiting Gonos, Nugles, Venice, Rome, Piez, and thoroughly revelling to the art treasures of the fullan cities. Muss Babeock had but one complaint to make—that the fa-mous ancient heather structures had been vandalized for the construction of the Credition churches.

been vandalized for the construction of the Christian churches. "You don't see the grand old ruins you expect to see," she suid "but sim-ply bricks and rubbish, without any marble, freecoes or asything you ought to see." These have been taken to keep out the churches, and around to all of them are motion collections of pli-lars and other things, of different de-

does the entire range of new ideas in handles and fabrics, affords the largest selection and greatest variety in the city. Whether it he a medium quality or a high grade umbrella there is ample room here for selection. In the misses' sizes, 20, 22 and 24 inches we show a splendid selection at \$1.50 to \$2.50 each.

An extra special is a little beauty of fine serge with natural or fancy handle, 26 inch size, fer these as a drawing card at each ..... a drawing card \$1.00

### Beautiful plaids in the dress goods aisle
