A CARD FOR THE

Spring & Summer Clothing Trade

OF SAN FRANCISCO.

BADGER AND LINDENBERGER,

No. 105 and 105, Battery St., San Francisco,

Importers and Wholesale Dealers

ENTIRE NEW AND FRESH STOCK.

WE would call the attention of Country Merchants to our unusually large stock of goods. Our stock comprises every article in the Clothing and Furnishing Line. We have constantly on hand the largest stock and greatest variety of Cassimere, Wool and Straw Hats of any house in the city, and our prices for these goods are less than those of any other house, as we receive them direct from the Manufacturer on Consignment. Our stock of Spring and Summer Goods is particularly attractive, and the great feature to the Country Merchant is the unusually low price—less than the cost of importation. We also keep the Staple Articles in the Dry Goods Line, which goods we have purchased in this market under the hammer and are offering them at New York cost and less.

We publish this Card in order that we may make acquaintances, and induce those who have not heretofore purchased of us, to call and inspect our stock. All that we ask is an opportunity to show the goods and name the prices, and we have no fear of the result. Good articles and low prices are the great inducement to all who purchase to sell again. Merchants who buy of us can make a good profit and sell to their customers at a low figure. Respectfully, your ob't servants,

BADGER & LINDENBERGER,

Wholesale Clothing and Hat Warehouse,

103 & 105 Battery St., San Francisco.
