KANSAS CITY, Kansas City, Feb. 20.—Cattle.—Receipts 5.009, Including 209 southerns, Market 10c higher. Native steers 4.50@5.50; native cows and heiters 2.50@5.55; stockers and feeders 3.40@4.90; bulls 3.00@4.25; calves 3.50@6.25; western steers 4.25@5.50; west-ern cows 2.75@4.50. Hogs—Receipts 10.000. Market 10 cents higher. Bulk of sales 4.25@4.525; heavy 4.00@4.57%; packers 4.30@ 4.55; pigs and light 3.80@4.40. Sheep—Receipts 3.000. Market 10 cents higher. Muttons 4.50@5.50; lambs 6.30@ 6.59; range wethers 5.00@6.25; fed ewes 4.40@5.00.

WOOL. ST. LOUIS. St. Louis, Feb. 20-Wool steady, Ter-ritory and western mediums 21@23; fine mediums 19@20; fine 15@17c PRODUCE. CHICAGO. Chicago, Feb. 20.-Wheat was inclined to be weak today owing to selling by several leading commission houses. The volume of trade, however, was small. News of the day favored the bulls, cables being steady and receipts in the north-west small. May opened a shade to '47 % lower at 920/9214 and sold off to 91% di 920.

I KNOW OF

No better means of regularly saving a little each month than by doining either Zion's Benefit Building Society or the Descret Building Society, In both cases all directers (and they include some of the best men in the community) serve without pay and stockholders get all the profits.

A New series of the Descret begins this month.

Subscribe for stock now. The offloe is at No. 18 East South Temple street. The officers of the Com-pany are: Nephi L. Morris, Presi-dent; Hugh J. Cannon, Vice Presi-dent; Ounde Gramen Remetant dent: Quayle Cannon, Secretary, This ad is an unsalicited indorsement given because of the good said Building Socities do.

GEORGE M. CANNON.

The bulk of the stock in the Copper Guich company is owned by Sandy people and W. T. Vincent is president of the company: Olaf Peterson and Carl Warg are extensively interested;

(Follock Special Wire.) Calumet, Mich., Feb. 20.—In announc-ing the postponement of action of the Calumet & Arizona dividend yesterday, the directors made the following state-

ment: "On account of payments falling due in March upon options on mining prop-erties, which the board has not yet decided to take, or reject, the quarter-ly dividend was deferred until the next regular monthly meeting."

OLD DOMINION COPPER.

(Pollock Special Wire.) (Pollock Special Wire.) Boston, Feb. 20.—The News Bureau says: The Old Dominion company con-tinues to maintain a production of about 100,000 pounds of copper per day from its own sulphides and is laying its copper down in New York at about 11½ cents per pound after charging every cents per pound after charging every-thing into the operating cost.

PROSPECT OF APEX SUIT.

(Pollock Special Wire.) San Francisco, Feb. 20.--It is said that Goldfield Cons, will bring suit against the Jumbo Extension under the apex This caused some selling in Jumbo Extension yesterday.

WILL SELL UTAH COPPER.

(Pollock Special Wire.) New York, Feb. 20.—The Utah Con-per company has entered into a con-tract with the United Metals Selling company whereby the latter will here-after market the former's output of opper.

CONCENTRATES.

Thomas Weir went out to Bingham this morning to make an inspection of the mining properties in which he is Interested

W. H. Clark and wife have been call-ed east on account of the illness of their son, Keith, who underwent an operation yesterday for appendicitis.

Manager J. B. Risque, who has been confined to his home by sickness for several days, was at his desk in the Utah Consolidated offices again today. George Sinclaired makes again today. George Sinclaired, manager of the Lion Hill Consolidated, is in from the dig-gings. It is said that the Lion Hill company has a deal on for the placing of a large block of stock.

The state board of land commissioners has received assurance from the department of the interior at Washing-ton, D. C., to the effect that prompt steps will be taken to survey the new oil fields in southern Utah.

oil fields in southern Utah. A shareholders' meeting of the Hel derman Filter Tank company was called to order yesterday afternoon and adjourned until today when matters of importance will be discussed. It is said that the plant built at Manning, Topele county, to freat tailings be-longing to the Consolidated Mercur Gold Mines company has not been a complete success and because of this fact the earnings have not been up to what it was hoped they would be.
