### EASTERN.

**The Wool Market.**

BOSTON, 24.—There continues to be a good demand for all descriptions of wool, and while such prices continue to be asked in the interior manufacturers do not hesitate to pay the current rates on the seaboard, and it is evident that the price of wool will be no lower for a month to come; it is not believed possible that the present high prices can be sustained in the interior with the present outlook of the manufacturing business, and before many weeks the market will settle down on a more solid basis. Spring Cala. continues in demand and meets with a ready sale at from 30 to 40 per pound; fleeces are scarce and very little has been done. New will not be arriving in any considerable quantity for a week or two, and the high prices will tend to keep the clip backward. New and old Ohio and Pennsylvania have been sold at 50 and 56 per pound, pulled wools are in fair demand and range from 40 to 50 for different grades of superior and extra good; eastern superior is selling from 52 to 55 per pound.

**The Beecher Scandal, The Cat out at Last.**

NEW YORK, 24.—Theodore Tilton publishes, in the *Golden Age*, this afternoon, a seven-column article touching the Beecher scandal, and in defense of himself (Tilton) from the charges of the Rev. Leonard Bacon, mediator of the late Brooklyn council, that Tilton has been a cowardly slanderer, whose magnanimity alone saved him from a disagreeable exposure. He says that having suffered in silence for four years from these and similar misrepresentations adroitly put before the public by the Plymouth Church, neither patience nor duty would permit him longer to conceal the actual facts from the public. He then goes on to say that he has never slandered Beecher, but on the contrary has sacrificed his own reputation to suppress the truth about him, and that he never has refused to appear before the church and answer all questions regarding the scandal that might be put to him. Tilton gives his reason for severing his connection with the church as follows: "After I had been for fifteen years a member of the Plymouth Church, and became meanwhile an intimate friend of the pastor, knowledge came to me in 1870 that he had committed against me an offence which I forbear to name or characterize. Prompted by my self-respect I immediately and for ever ceased my attendance on his ministry." He publishes the following as an extract from a document signed by Mr. Beecher:

"Brooklyn, Jan. 1st, 1871.—I ask Theodore Tilton's forgiveness, and humble myself before him as I am before my God. He would have been a better man in my circumstances than I have been. I can ask nothing except that he will remember all the other breasts that would ache. I will not plead for myself, and even wish that I were dead.

(Signed) "H. W. BEECHER."

**$100,000 Fire.**

The ice house and stables of the Knickerbocker Ice Company were burned to-night; four wagons and sixty horses, together with a large amount of other property were destroyed; loss over $100,000.

**In Convention.**

DES MOINES, Iowa, 24.—The Anti-monopoly State Convention met here to-day, with a full attendance from all parts of the State, many men formerly prominent in the republican and democratic parties being delegates. Dr. E. A. Guilbert, of Dubuque, was elected permanent president, and ex-governor Stone chairman.

**War Claims to be Settled—Postal Matters.**

WASHINGTON, 24.—Luttrell, today, arranged for the prompt adjustment and payment of the remainder of the California Modoc war claims; checks on San Francisco will be forwarded to the claimants within a fortnight.

The Postmaster General, to-day, ordered a daily mail service between Chico and Oroville, a semi-weekly between Fort Jones and HappyCamp, a tri-weekly between Etna Mill and Sawyer's Bar, a tri-weekly on the railroad into the Sierra valley, and six times a week between Shasta and Yreka. Luttrell leaves to-night for California direct; other Pacific coast members will not start for a few days.

**Taking Leave—Resignation of P. M. General.**

A great crowd of Congressmen, to-day, took leave of the President at the White House.

Postmaster General Cresswell, today, tendered the President his resignation. In an accompanying letter he said a proper regard for his private interests had induced the step. He warmly thanked the President for his uniform support and kindness, assuring him that his official and personal relations with him and his colleagues had been most satisfactory. He promised his cordial support to the present administration. The President, in reply, expressed deep regret at the loss of the only remaining one of his first cabinet, hoping that his successor would be as faithful and efficient as he had been, and would prove also a personal friend to himself, like the retiring Postmaster General; he expressed himself entirely satisfied with Mr. Cresswell's official record.

**The Postmaster Generalship.**

It is intimated to-night, and generally believed, that the President has tendered the Postmaster Generalship to Hon. Eugene Hale, of Maine; he is now at Altoona, Pa., but a telegram was sent to him this afternoon by the President.

### CANADA.

**Damage by Storm.**

QUEBEC, 24.—The recent rain storm has done great damage in this section, inundating farms, carrying away bridges, etc.

### WESTERN.

**"Sam Purdy" Sold.**

SAN FRANCISCO, 24.—"Sam Purdy" was sold to-day at auction, for twenty-one thousand five hundred dollars. Frank Murphy was the purchaser.

**Suicide—Help for Louisiana—Harvest Commenced.**

Ex-police officer W. W. Stone shot himself through the heart this evening.

Five thousand dollars were sent to-day for the Louisiana sufferers.

The crop prospects throughout the State were never better; harvesting has commenced in many localities, and the grain is ripening rapidly in others.

**A Mysterious Female.**

A mysterious female, who walked from Omaha to this city, spoke to-day for the first time since her arrival; she says her name is Sophie Gatsen, her home is Evanston, Ill., she is unmarried; she wants to go back, and will give no reason for undertaking her extraordinary journey. The city authorities will take charge of her.

### FOREIGN.

**GREAT BRITAIN.**

**Trouble between Turkey and Persia.**

LONDON, 24.—The relations between Turkey and Persia are not friendly; it appears that the Persian government refused to compel the return, to Turkish territory, of a tribe numbering 2,000 families, which has been subject to the Porte, but escaped across the Persian frontier, and that a number of Turks have been seized and maltreated by a band of Persian pilgrims; the Turkish government threatens to force the Persians to give up the persons who abused its subjects, and to surrender the revolting tribe.

**A Good Bill Rejected.**

In the Commons, to-day, Plimsoll's bill, requiring an official survey of merchant ships before sailing, was rejected, yeas 170, nays 175.

**She will not go to Russia.**

An authoritative denial is given to the report that the Queen of England will visit St. Petersburg next September.

**ITALY.**

**More Arrests.**

ROME, 24.—Additional arrests are reported, growing out of the Papal demonstrations on Sunday last.

**FRANCE.**

**Entrenched Lines Established.**

BAYONNE, 24.—The Carlists have established three entrenched lines before Estella; the outermost line being five leagues from the city.

**Newspapers Sued.**

PARIS, 24.—The newspapers, *Figaro, La France* and *Le Soir* have been sued by the government for violation of the press laws, by reprinting Rochefort's letter; the verdict was "guilty with extenuating circumstances," and the proprietors were only fined a hundred francs each.

**PRUSSIA.**

**Catholic Conference—Coming to America.**

BERLIN, 24.—Ten Prussian Bishops are in attendance upon the Roman Catholic conference at Fulda; the sees of Cologne, Posen and Treves are represented by deputies, the bishops of those places being in prison.

Professor Greist is about to proceed to America for the purpose of searching the archives of the different States of the American Union for information to aid him in preparing a history of the constitution of the U. S.; when in Washington he will be the guest of the President.

**To be Arrested.**

A naval court martial has sentenced Captain Werner to arrest, for his conduct when in command of the German man-of-war in the harbor of Carthagena, during the intransigents' revolt.

**THE ONLY MEDICAL FRIEND,**

IN case of Diarrhea, Dysentery, Cholera Morbus and Cholera, is Maguire's Benne Plant, a thirty years' remedy in the Mississippi Valley. The acknowledged specific in 1849 and 1866. Sold by druggists everywhere.

Read the following testimonial from the late Father DeSmet, the great Indian missionary:

ST. LOUIS UNIVERSITY, June 9, 1872.

*Messrs. J. & C. Maguire:*

Long experience in the use of your valuable EXTRACT OF BENNE PLANT justifies me in saying that I believe it to be an excellent remedy for any form of bowel affections for which you recommend it. On every occasion when I have given it, I am happy to inform you that it has been successful in affording relief.

Very truly, your friend,
P. J. DESMET, S. J.

From Rt. Rev. Bishop Ryan:

I fully endorse Father DeSmet's testimonial. P. J. RYAN.
