obscurity, to step forward and be a second "father of his country." The circumstances for such a geni-us to distinguish himself are ready made to his hand, but, as yet, it does not appear that the needed in-dividual is ready made for the cir-cumstances. The record of such a one, if successful, would be surely no less than the honored Washing-ton, for the work he would have to accomplish would be scarcely, if any, less herculean than that per-formed by that celebrated warrior a dividuate of the circumstances or of the scarcely, if any, less herculean than that per-formed by that celebrated warrior dividuate of the sectors were eligible was a matter left with the States

and statesman. There is an evi-dent hastening of the republic to-ward the process of political and so-certificate by the President of the Senate was a declaration of the vote contained in it. Very few republicans respect this bill. It will be taken by the republicans, if tak-en at all, as a dose of castor oil. Henstor Edmonds burned his ships

Existing circumstances are causing many of the leading reflecting behind the bill when he denied

Governor, and endorse them introduced a bill for the appoint-ment of such commission which the names of the electors upon the outside of the envelope. He is thus notified who the electors or pretended electors are, who have voted and whose votes are contained in the envelope. It is a certifi-cate from the electors, and none other, that he is required to open in the presence of the two houses. He is not, in fact, required to receive the certificate of anybody but the true electors of the State. He is, therefore, requered in the dis-charge of the duty of his office, to determine and present the true cer-tificate from the electors of a State. He is bound as an officer of the government of the United States to take notice of these who have been declared elected by the proper au-thorities of the State, and when a certificate comes into his hands it

or a state. He must decide that question upon his peril, and pre-sent that certificate to the two

loose opinions expressed because of first impressions without ex-amination on this question. I have done so myself. I have a bad habit of saying what I think at the time, but endeavor to atone for it by readily correcting it when I find I am mistaken. I am no admirer of the political owls who keep silent and look wise until they think they ing, and therefore those who wish to see them and enjoy a pleasing musical entertainment, and a hearty laugh at comical character-izations should not fail to be there support this bill if it did not give them a chance to count Mr. Tilden in by going behind the returns. At 2:10 Mr. Morton said he was not able to proceed further to-day,
