

FROM A MISSIONARY IN
TURKEY.CONSTANTINOPLE,
August 29th, 1885.

Editor Deseret News:

As there are many Germans and Swiss in this great city and some of them show an interest for our cause, and even are willing to send some information back to their native countries, and I remember a prophecy of Orson Pratt: "Germany will have the truth coming from outside by some of its countrymen who are abroad in the world, until the walls of error fall down." I lately wrote a pamphlet, and had 1,000 copies printed, one of which I herewith send you, in order that you may know what is going on out here.

The *Stamboul*, the largest newspaper here, published—in French—almost the whole of the message of the First Presidency and the petition, and this great gazette with others found fault with the present way of the United States in dealing with the Saints. The *Stamboul* also, after a first essay to ridicule us courteously published my answer and the last testimony of Mr. David Whitmer.

Many are wondering how the present crusade will turn out, and say: "If the Lord saves the Mormons this time too, then they must be his people." I prophesy to them that He will.

We hear of wars and rumors of wars; two days ago it was whispered about that there was to be a great alliance between England, Turkey, Persia and China against Russia. People who don't understand are beginning to fear, but those who look forth for the coming of the right King are cheering up. Respectfully yours,
J. SPORI.

Parliament has been further prorogued until December 5th.

Cricket Match—In Philadelphia, the international cricket match was resumed to-day, and the English team finished their first innings with a score of 147 runs, against 200 made by the Philadelphians in their first innings.

At the Doncaster September meeting to-day, the race for the Doncaster cup was won by Humbledon, King Mouth second, and R. Craig's (formerly J. R. Keene's) 5-year-old chestnut horse, Blue Grass, third. There were four starters.

The striking cotton operatives at Oldham, England, yesterday rejected by a vote of 3 to 1 the proposed compromise by which the wages were reduced 5 per cent instead of 10 percent.

The artistic and literary conference at Berne, Switzerland, has closed. The delegates signed a convention embodying a number of resolutions looking to the better protection of literary works.

Signor Sommaruga, who edits two newspapers in Rome, after a trial lasting thirteen days, on the charge of blackmailing Italian artists, has been found guilty and sentenced to 10 year's imprisonment.

Don't eat in a Hurry.

A health journal says that people ought to take three-quarters of an hour for dinner. This is well if there is enough dinner to hold out so long. The penalty of hurrying meals as most people do, is a greivous attack of dyspepsia. In such a case you will have to resort to Brown's Iron Bitters for cure, as did Mr. J. R. Pinkston, Shorter's depot, Ala., who writes, "I found relief in Brown's Iron Bitters after years of suffering from dyspepsia."

If you have a Sore Throat, a Cough or a Cold, try B. H. Douglass & Sons' Capsicum Cough Drops; they are pleasant to the taste, perfectly harmless and will surely cure you.

THE BEST EVIDENCE

Of the merits of a remedy is the effect on the system, so there can be no doubt that the California Fig Syrup Company is pursuing the wisest plan possible to make known the wonderful efficacy of Syrup of Figs for all the ills arising from an inactive condition of the Liver, Kidneys, Stomach and Bowels, in giving away sample bottles free of charge. Ask our enterprising druggists for a free sample bottle, or you can buy large bottles for fifty cents or one dollar.

VERY REMARKABLE RECOVERY.

Mr. Geo. V. Willing, of Manchester, Mich., writes: "My wife has been almost helpless for five years, so helpless that she could not turn over in bed alone. She used two Bottles of Electric Bitters, and is so much improved, that she is able now to do her own work."

Electric Bitters will do all that is claimed for them. Hundreds of testimonials attest their great curative powers. Only fifty cents a bottle at Z. C. M. I. Drug Store.

Everything was done for her that could be to save her life, but all to no avail. She suffered a good deal, but felt resigned to God's will. Her father could not have the privilege of seeing her, nor being at the funeral, as force of circumstances compelled him to be absent from his home and dear ones. May God bless and comfort him and Sister Hull in their bereavement.

AYER'S PILLS

CURE HEADACHE.

Headaches are usually induced by costiveness, indigestion, foul stomach, or other derangements of the digestive system, and may be easily cured by the use of Ayer's Pills. Mrs. Mary A. Scott, Portland, Me., writes: "I had suffered dreadfully from Sick Headache, and thought myself incurable. Disorder of the stomach caused it. Ayer's Pills cured me entirely."

CURE BILIOUSNESS.

John C. Pattison, Lowell, Nebr., writes: "I was attacked with Bilious Fever, which was followed by Jaundice. I was so dangerously ill, that my friends despaired of my recovery. I commenced taking Ayer's Cathartic Pills, and soon regained my customary strength and vigor. I feel certain that I owe my recovery to your invaluable Pills."

CURE INDIGESTION.

Ayer's Pills act directly on the digestive and assimilative organs, influencing healthful action, imparting strength, and eradicating disease. G. W. Mooney, Walla Walla, W. T., writes: "I have suffered from Dyspepsia and Liver troubles for years past. I found no permanent relief, until I commenced taking Ayer's Pills, which have effected a complete cure."

THE CONTRIBUTOR.

ANNOUNCEMENT FOR VOLUME SEVEN.

The publisher of the CONTRIBUTOR takes pleasure in announcing to its numerous readers and the public generally, some of the leading features of the new volume which commences in October.

THE MISSOURI PERSECUTIONS.

Arrangements have been made, at great expense, to illustrate a series of articles on the Persecutions of the Latter-day Saints in Missouri, with scenes of the most interesting events.

Photographs of these scenes (from which pen and ink sketches have been made by Dan Weggeland, Esq.) were taken by our own representative, Elder B. H. Roberts, who visited the places for that purpose, and descriptions of them will be written by him. They will include the following:

Temple Site at Jackson County, Mo. (The Centre Stake of Zion),

Battle Scene at Crooked River (Where Apostle David Patten fell),
House of the Prophet Joseph at Far West,

Haun's Mill (Scene of the massacre),

The Mouth of Fishing River (Scene of the steamboat explosion),

Liberty Jail (Where Joseph and six others were imprisoned),

Adam-ondi-Ahman (Showing relics of the ancient altar),

Lyman Wight's House, at the Valley of Diahman,

Richmond Court House and Jail.

Also a FULL FACE PORTRAIT of JOSEPH SMITH, the PROPHET.

Great care is being taken to have these views carefully engraved, and to present them and the narrative of the thrilling incidents, which they illustrate, in the most authentic manner, that they may be, not only of immediate interest, but of permanent value to the students of Church History.

In this connection we desire to procure the names of all living Saints who passed through that period of our people's history, viz: 1831 to 1840, and will send the Magazine Free for One Year to the head of each family who will send us their names, places and times of birth, period spent in Missouri, and brief account of experiences there with their present address.

The new volume will be replete with the usual variety of original matter, from the pens of our best local writers, embracing numerous sketches of travel, biographies, religious, political, scientific, historical and narrative contributions, Christmas Stories, Poetry, etc., etc.

Subscription: TWO DOLLARS a Year, in Advance.
BOUND VOLUMES, \$2.50.

Volumes Bound for subscribers at Fifty Cents each.

N. B.—Any Subscriber for Volume Seven, paying \$2.25 in advance, will receive the Magazine for a year, and have it bound Free at the end of the volume.
