the appreciation of the council to Mr. Carnegle. The matter of arranging for the \$2,000 deficit was referred to the committee on finance and the com-mittee on public grounds and city An order was made authorizing the superintendent of streets to exempt the members of the fire department from

tin roof. It is probable that new bids will be asked for as there are a num-ber of contractors in the city who were desirous of bidding on the building, but did not know the city was going to creet a building, which is to be 110 feet by 165 feet.

Humphries introduced a resolution calling upon the city engineer to make a report upon the expenditure of the fund, which was set aside by the city for the work of conducting the surveys in South Fork canyon for the proposed waterworks and light plant. The fund was for \$2,500 and was to be used for the pur-

chase of waterrights, etc. The Becker Brewing company asked that its liquor license be changed to date from July 1st. 'It was shown that the company had not puid a li-cense for the past four months. The request was granted, but the council adopted a resolution requiring the license collector to make a report upon the matter of the Becker license. An ordinance regulating the business conducted by employment, labor and inteligence offices passed its second reading and was referred to the license committee. The ordinance requires that its liquor license be changed
