

LOCAL AND OTHER MATTERS.

REMEMBER the meeting of the Parent Society for Improvement of Stock, tonight, at 6 p. m., at the City Hall.

SABRATH MERTINOR.—In the morning an eloquent discourse was delivered by Elder (Dr. Pratt) Elder Geo. C. Cannon occupied the time in the afternoon.

THEATRICAL.—On Saturday evening the performance at the Theatre was of the most successful and satisfactory character, and seemed to please every body. In the "Rappanoe," the Treaty of Limerick, "one of the best sensation pieces we ever had the pleasure of witnessing, Messrs. Thompson and McKenzie won golden opinions by their capital delineation of Captain Gunkle and Roderick O'Malley. Miss Gunkle (Hickley) enacted the part of Sally Gunkle splendidly. Messrs. Thorne Harris, and other gentlemen acquitted themselves very finely.

The scene in Mono Castle, "Roderick O'Malley's Welcome," "one of the best and most startling mechanical effects ever witnessed, and the interest of the piece, throughout, is so unflagging that it should bear several repetitions.

In the "Rival Dutchmen," Messrs. Thompson and Harris had a first-rate chance for the display of their comic powers, which they made the most of, the piece keeping the audience continually laughing.

To-night the great play of "The Octoroon" will be presented; Mr. Thompson will personate "Salem Scudder," Mr. McKenzie "Jacob M. Cloaky," Miss Hickley "Zoe," the Octoroon.

There will be performances on Wednesday, Friday and Saturday evenings.

Called.—We had a very pleasant visit to-day, from our old friend, A. T. Green Esq., Commission merchant of San Francisco. We were pleased to see Mr. Green looking so well, and were glad of the opportunity to renew, for a few moments, the intimacy of former years. Mr. Green's business relations with the people of this city, are so extensive, and have always been of the most satisfactory character.

THE LECTURE.—Tomorrow night "Washington and the Union," will be handled by the Reverend Bishop Tuttle, at Independence Hall. At the close of the lecture a reception will be given by Miss Sallie Hickley, the celebrated actress, entitled "Barbara Frelchle" or the heroine of "Fredericksburg." Mr. G. W. Thompson, will give "Shamus O'Brien." The program is varied, and from the ability and talents of those engaged, there is no doubt that it will be highly entertaining, and being for the benefit of the Salt Lake Exchange and Reading Rooms, it should draw a crowded house.

REMEMBER meeting of Parent Society for Improvement of Stock tonight at 6 p. m., City Hall.

FROM CALIFORNIA.—The following named gentlemen, capitalists, from California, interested in the development of mines, arrived in this city on Saturday morning: E. H. Shaw, William M. Lenty, John P. Boyd, J. C. Bateman, Henry Janin, D. M. Hosmer, J. H. Todman, C. W. Scheidel and T. A. Trille.

On Saturday afternoon they visited Camp Douglas, where they were the guests of General Morrow, by whom and his officers they were treated in the most genial and hospitable manner. Refreshments were partaken of by the party, after which speeches were made by General Morrow, Chief Justice McKean, Associate Justices Hawley and Strickland, Major C. H. Thompson, W. M. Lent, Esq., Hon. F. A. Trille, T. Marshall, Esq., of the firm of Marshall & Carter, of this city, Colonel D. E. Buel, Judge J. Snow, and General Geo. R. Maxwell. Cheers for General Morrow and the Camp officers, closed the interview, when the party returned to the city, and attended the Theatre in the evening. Yesterday most of them attended the services in the Tabernacle or Ward meeting houses. At ten this morning two parties left for a two-day tour in the mines at Cottonwood and Bingham. The Cottonwood party consisted of Messrs. Scheidel, Trille, Bateman, Jennings, Carter, Walker, Hosmer and Bishop Sharp. The party to Bingham included J. W. Taylor, Lent, Boyd and Janin. They return to the city to-morrow evening.

WANT TO LEAVE UTAH.—The Boise, Idaho, Democrat, of the 4th inst. says: "An effort is being made by citizens of Corinne, Utah Territory, to have the United States boundary survey run so as to include that town in Idaho Territory."

Success to their effort! As far as we are concerned we are very willing to grant them a bill of divorce whenever they apply for it.

ODDER ITEMS.—The following items are from the Junction, of Saturday:

"On Thursday last Mrs. John Low, of this city, went to the spring near her residence, for water, when she slipped on the ice and fell, injuring her spine, and is at present confined to her bed."

"On Tuesday last Mr. Wm. Stowe, residing on the Bench, in this city, was returning from Brigham City, and rode part of the distance on a lead of hay. When near Mount Fort, one of the wagon wheels came off, and Mr. Stowe was thrown violently on to the frozen ground; his shoulder was dislocated, and he lies in great pain. Dr. Woodward is attending the injured man."

The Couchocks and the Langrishe troupe are to perform in Ogden to-morrow and Wednesday evenings.

DEATH.—In Porterville, Morgan county, on the 17th ult., Malinda A. Chipman, daughter of Sanford and Nancy Porter, of paralysis, aged 56 years, 1 month and 14 days. Deceased embraced the gospel, with her parents, in Tazewell county, Illinois, in 1831; moved to Jackson county, Missouri, the following winter; was with the Saints in their drivings and final expulsion from the State; was a witness in favor of the Prophet Joseph in one of his trials while in the hands of the mob who shared in the privations of the Saints in the first settling of Nauvoo and was identified in the Black River Company, under the direction of Lyman Wight, in getting lumber for the Temple, and subsequently, went with him to Texas, under the false impression that he was acting by the immediate direction of the Prophet Joseph, until his conduct became such as to destroy all confidence in him as a leader, and leaving the company, he returned to the State of Missouri, from whence he was brought by the assistance of her friends, to this valley,
