WYNN STREET LEANS FOR ARMS

With a R. H. Jones of George, Wash-
ington—Prison, killing in New
Spain—Killing in Mexico.

The Utah people, regardless of race
and nationality, are today more than
ever before united in a common
cause, and it is a cause which
will win.

George A. Smith, 60 years old, was
arrested at the Phoenix, Arizona,
on May 10, 1933, for the murder of
a woman in the city of Phoenix.

A territorial mass meeting was held
at the National Auditorium, Wash-
ington, D. C., on May 10, 1933, for
the purpose of organizing a new
territorial government.

On May 10, 1933, when the United
States Supreme Court decided that
the territory of Utah was not a
state, the people of Utah were
told that they were no longer
citizens of the United States.

The people of Utah, however, are
not willing to accept this decision.
They are determined to fight for
their rights and to win.

The people of Utah are today more
united than ever before. They are
determined to win their rights and
to build a new state for themselves.
