GRAND DISPLAY OF PATRIOTISM.

The development and manifestation of the patriotic feeling that has taken place in this city yesterday and today have been a revelation of patriotic feeling that has not been witnessed here before. The people have shown a public opinion not only of the highest order, but one that has never before been manifested in this city. The people have shown a public opinion not only of the highest order, but one that has never before been manifested in this city.

The announcement that the troops of the United States would march through the city to the Rio Grande depot to take train for the front, had the effect of a welcome and a grand display of patriotism. The people have shown a public opinion not only of the highest order, but one that has never before been manifested in this city.
