Three hundred dele-gates representing 15000 men forming adult Bible classes in Sunday schools were present and voted unanimously. The convention expressed hearty appreciation of the position taken by Gov. A delay in the grand jury proceed-ings and the interruption of legislative sessions at one time threatened to cause a serious clush of irepresentatives and the grand jury. I grew gradually worse, my breathing was so difficult at times that I thought I would die. My heart was in very bad condition from poor circulation and pressure of the dilated stomach. I decided it was only a matter of a very short time with me. I was advised to try Dr. Miles' Nervine and Heart Cure, and before I had finished taking one bottle of the medicine I felt like a new being. I took

PHILIPPINE SUGAR. Must Pay Duty Same as That From

A Foreign Country.

New York, May II.—The board of Unit-ed States general appraisers overruled yesterday a protest filed by Czarnikow, MacDougall & Co. of New York, it being held that sugar imported into this country from the Philippines must stand duty on the same basis as if brought from a for-eign country. It was alleged by the im-porters that the treasury regulation levy-ing a regular duty on the sugar was il-legal, but this the board denies.

ROSEBEN WELL PLAYED.

ROSEBEN WELL PLAYED. The betting against the winner was 5 to 1 and he was heavily played. Against the second horse. Dandellon, there was 5 to 1 for place, while Oxford was not se-riously considered at 20, 10 and 5. Israfel was always held at 5 to 1, while the now twice dethroned Roseben went back a point in the betting from 3 to 1 to 7 to 2. The blg field managed to get away from the barrier in quite a compact bunch ex-cept Ormonde's Right who was left, and only the horses which finished in the first five places were prominent in the running. Roseben's defeat was gecepted philosophically by the crowd, which was the largest of the racing season, despite the condition and threatening weather. Roseben carried 129 pounds, the top weight, buit despite this heavy impost he whilfied away in front at a dizzy pace and it was due to his early efforts that such good time was made over the dry but dead track on the going.

HELD OUT UNTIL STRETCH. The big gelding maintained his lead to the stretch, but Dandelion, Oxford, Isra-fel and Grapple were always within strik-ing distance. In the run home Grapple closed with a great rush and won hand-ily under Garner's good ride. O'Neill pushed Dandelion into second place, whil-Hildebrand performed the unexpected feat of leading the gray horse Oxford inside the money. Miller was on Israfel and Lyne as usual was in Roseben's saddle. The Metropolitan was worth nearly \$14. 00 this year of which the second horse received \$2,000, and the third \$1.000.
