A CHINCHILLA HAT ON THE NEW SMALL LINES.

All the Paris hats are growing smaller, and this faunty little model is a fresh arrival from the French style must. Chinebills, with its soft gray coler, is the fur which looks best with all lavender and purple shades and this mit is intended to accompany an afternoon wedding track of pale wistaria latin. The rolling brim of the hat is faced with panne velvet of a soil Shethyst color. The cutire top of brim and crown is of chinchills, the onminutes being the sausage loop of wistaria ribboo. This sausage arment is very smart this season and is made by puffing out wide ribbon ween tight little bands which are sewed on separately. The chinchilla hat is, or course, matched by a neckplete.

This pretty suit of light blut browdeloth has a smartly cut cont on very che traiding. The big buttons and loops on coat and specus are also of blue and the cord ornaments fastening the coat across the bust are dyed to metch the pale blue shade of the cloth and satin. When the cont is removed a dressy little bodice is revealed; this bodies, of paid blue chillon, being latil in broad tucks with suplice fronts crossing over the bust. In the opening between the fronts there is a V-shaped piece of silver lace. There is no setter, but a string of vivid worst heads ites around the throat just at the rop of the boulce. The hat is a wide-brimmed affair of blue satin, frimmed with chiffen and wings. The marabout must and neckplace, in a soft manus color, emphasizes the delicate blue shade of the cos-
