Gospel Preached Universally—Taught to Adam—None Known in All People—The Book of Mormon an Inspired Record—Given in Fulfillment of Prophecy—The "Book" of Ephraim—Other Old Testament Scriptures—Parable of the Leaven—Book of Doctrine and Covenants—And of Further Revelation—Counsel of Elders in Salt Lake—Restoration of the Gospel Through the Prophet Joseph Smith.

My brethren and sisters, in addressing you this afternoon I am very desirous that you will understand the fullness of the truth which I am about to present. The restoration of the gospel is a work of great importance, and it is our duty to be fully informed of the truth which has been revealed to the world.

In the beginning of the world, the knowledge of God was given to Adam, and he was commanded to multiply and replenish the earth. But after the fall of Adam, the knowledge of God was lost from the hearts of all men. It was not until the coming of the prophets that the knowledge of God was restored to the world. The Book of Mormon is a record of the knowledge of God which was given to the people of the Americas, and it is a witness to the truth of the gospel.

Here is a picture that women will wonder at of these days. They may not understand what the woman is doing. Even now it looks queer to the users of Pearline to see a woman doing herself up over a wash-tub. This old-fashioned, but becoming way of washing clothes by rubbing them to pieces over a wash-board can't last. It isn't tenacious. The way that is surely taking its place—the easiest, quickest, most economical way—is washing with Pearline. No soap with it—entirely needless—nothing but Pearline.
