WHITE MAN
SLASHES NEGRO.

Shocking Cutting Affray Last
Night on Hudson Avenue—
Outcome of Quarrel.

CHOIR IS OFF FOR PORTLAND.

Last Rehearsal Before Immense Throng
—Funeral of Thos. Empey—Acci-
dent in Drug Store—Wedding.

Ogden, Utah, Aug. 18, 1905.—An al-
most fatal cutting affray occurred last
evening on Hudson avenue in which a
white man named Frank Johnson and a
colored man named Albert Taylor were
the principals, the white man using
a knife on the negro.

The two men met on the avenue
about 10 o'clock in the evening, they
quarrelled and commenced to fight.
Johnson appeared to be getting the
worst of the deal and pulled a large
pocket knife slashing the negro in the
neck making a wound fully five inches
long and quite deep. The fugitive was
only missed by a hair's breadth thus
saving Taylor's life. He fled profusely,
covering his clothes from head to foot
with blood. Sergeant Chambers and
other police were called and placed
both men under arrest and took them
to the police station. Dr. Gordon was
summoned and dressed the wound put-
ting in a dozen stitches to close it.
He pronounced the injury as serious
though not likely to prove fatal.

The colored man's friends called on
the police station a short time after
his arrest and secured his release from
custody. They guaranteed his appear-
ance in court when the case is called for trial.
Johnson was locked up and will be held
until a complaint is preferred against
him and his bond can be fixed by the
judge.

CHOIR IS OFF FOR PORTLAND.

Immense Gathering, Applaud Grand Ef-
fort at Last Rehearsal.

The Ogden tubercle was entirely
forgotten last evening to accommodate
the immense gathering of people who
had learned to love the music of the
Ogden tubercle choir and assembled
to hear some of the grand musical
numbers it has prepared to sing at
the Portland fair. When Prof. Bal-
lentine appeared before his choir of
200 voices last evening, he was justly
praised, and the applause that greeted
him and the choir was deserving.

Every section on last evening's pro-
gram was rendered most beautifully
and the singing has the quality and
volume which enthused the immense
audience who listened to it last
evening. They made the auditorium
ring with applause after the rendition
of each chorus and the listeners de-
parted from the building with the
highest praise for the choir's good
work. The train bearing the singers
to the exposition left Ogden this morn-
ing.
