An introductory lecture on psychol-ogy was delivered by Professor Orson Howard. He said, the science of medi-cine is sister to the science of educaion. Both these sciences deal with that complex object-a human being. The methods which have been followed with success in advancing and perfecting the one, may be followed with con

joys, sorrows, passions, and all its various modes, all the different kinds of character must be studied until they can be classified and a terminology arrived at, such as exist in other

lepartments of science. The times of the awakening of each power in the infant mind must be noted and

#### Perfectly Solvent.

Sr. PAUL, Oct. 31 .- The Third National Bank will doubtlets go into iguidation this week. It is stated the bank is perfectly solvent and that depositors will be paid dollar for dollar. The deposits reach \$209,000, the capi-tal \$500,000. The Bank holds \$200,000 of the papers of Rood & Maxwell,lumber dealers who failed at Washburne, a.t week.

Ashore. JACKSONVILLE, Fla., Oct. 31 .- The steamer Panama of the Compagnie Trans-Atlantique Espagnole, is ashore off St. Sebastian. All the passengers have been saved.
