

Dramatic and Lyric.

Class at the Theater—Joe Jefferson's Local Entertainment—Hal Russell's Engagement—Nat Goodwin's Evening David Gavriel.

Our Elton will take his leave of his Salt Lake friends in a few days. He has been here for a week and a half, and has been very popular. He will be in the city for a few days more.

Elton, in his particular line, is undoubtedly a genius. To his usual acquaintance Elton is nothing but a most difficult boy with an immense, somewhat estimate of life. To his intimate friends he has a thousand words of love, which he has been able to say every week. He is a man of the world, and he is a man of the world. He is a man of the world, and he is a man of the world.

It is the theory that he has been in the city for a week and a half, and he has been very popular. He will be in the city for a few days more.
