A The Ameriof eighteen hundred and can committee is awaiting the offic-to unaided human visit looked as though they he overwheimed by the nces arrayed against From all parts of the land which will probably take place soon at Paris, when instruction are ex-ported. In reply to a 7rioune re-porter, Mr. Thompson said he had no answer to make to the criticism the voice of powerful sects?opposed to recently made on his action in resigning his cabinet seat to accept each other but united, against, the each other but united against the Saints, clamored for legislative and executive vengeance. Petitions were as numerous as the days of the saints of the saint company. as numerous as the days of the year, and signatures greater in num-ber than its hours or minutes. From pulpit and platform the cry was re-schoed for stringent measures, and the press lent its aid in the chorus over, American to the fackbone, and of malediction. But not a finger has been laid upon the Samts to the balk been laid upon the Samts to the billigations of the Country shall be violated by the construction of the billigations of the Country shall be violated by the construction of the billigations of the construction of the construction of the construction of the billigations of the construction o a bolt has fallen, nor a shaft has glanced upon them. But the gospel has been preached in distant lamits, as well as in this, with vigor and success. New fields have been opened, thousands upon thousands opened, thousands upon thousands was bound to protect the Isthmus have been reached by the word, the from territorial aggressions of foreign have been reached by the word, the gathering has gone on, Israel has in-creased, the poor have been relies ed, the Church has been set in op-der, all its quorums are in place and action, the people are striving to live by the truth, confidence be-tween them and their leaders is in-creasing, unlow prevails, neither tween them and their leaders is in creasing, unlou prevails, neither social nor political discord exists, and all that has been done to divide, annoy, perplex or destroy has had the reverse effect, and tended to consolidate and strengthes. And thus will it ever be. The new year, viewed through the gloom inveked by creakers and pro-guesticators, shows up full of ter-rors. It is to be a year of disater and wee, Herrors are to created upon each other until the workd will be sick with its ac-cumulated miseries. "Perihelia and postlience," guoted as cause and effect, create dismay in the hearts alstence stores in this country be se the cost of transportation uld forbid purchase in Europe titious, who are not all As head of fire committee he we unleitered. And to have charge of the dibursement crown the awful history of this year the company on this acoust Envorable Commercial Bolasions of doom, comes the Shiptonian doggrel dictum, "The world unto an end shall come, in eighteen hundred NEW YO 31.-The Herald's and eighty-one!" We trust that none of our readers are moved to the slightest centiment of dread by the star-gamers' or the the alleged wi sayings would have small effect up on the commonly intelligent. If the scientific endorsement of t to the prolamatica strength of the astrologers and the alarms the sybil. It is true that four powerful planets

the finale of the kingdoms of this world to become the dominion of their lawful King. Bei while we attach no value to the reputed utterances of a modice val witch of the semi-imaginative demotions of astal diviners, we nevertheless look for "the great tribulation" which is to come before the consummation of all things, and

tribulation" which is to come before the consummation of all things, and recognize the fact that every new year brings us nearer to the trying period when the troubles of the eart h will be such as were never known from the beginning. Yet at the same time we remember the injunction of the Holy One con-cerning that period of unparalleled distress, "Stand ye in holy places this country have the same time we in holy places who has lived in this country the injunction of the Holy One con-cerning that period of unparalleled distress, "Stand ye in holy places this were never the same time we in holy places the same time we interview of the same time we in holy places who has lived in this country interview time to the same time we in holy places the same time we in the placed exclusion of the holy one con-the interview of the holy one con-the interview of the same time we in holy places and returns home, takes back with the placed exclus-sing that period of unparalleled the placed exclus-the bias events the placed exclus-the same time we in holy places the same time we we have the same time we in the placed exclus-the same time we in holy places the same time we we have the same time we we have the same time we we have the same time we many places the same time we have the same time we we we have the same time we we we have the same time we we w

ween the Chinese Ambassador and he Russian Government is announced. The ambassador will remain at St. Petersburg pending the discussion of China upon the Russian proposals. Advices from Sierre Leone, dated the 12th inst., bring news of continued fighting between the Gallena and Tarnettribes. The slaughter or

both sides is very great, and prisons ers are either killed immediately or put to horrible tortures. A fire at Jackson, Mich., this morning, destroyed the Marion. House, a two story frame building with four stores on the first floor, and an adjoining brick block con-

taining the City Bank and four stores. Loss, \$30,000 to \$80,000.

The rumor that Edward Jenkins, M.P., author of "Ginx's Baby," was going to Canada to edit a paper, is pronounced a canard from the fact ant Jenkins to-day exclaimed he "would rather go toBotanyBay than edit a Canadian newspaper."

danting in FISH CULTURE. FEBTILIZING THE OVA

^bMany inquiries are made respect-ing the artificial impregnation of ova and the time in which eggs are maand the time in which eggs are ma-tured, also the best methods of in-creasing the fish supply, and other things relating to fish culture in Utah, I will give a general state-ment through the Desensor Nows; in reply to correspondents from vari-ous parts of the Territory. It is interesting to learn thar Mr.

D. B. Funk, senr., County Fish Commissioner for Sanpete, is taking
