MINING EXCITEMENT.

There were a great many excited people here on Saturday. Joseph Sorenson has returned from a prospecting tour in Clear Creek canyon south of here. He brought with him some rock which looks to be fairly alive with specks of gold. It does not require a glass to see it, but can be picked out of the rock with a pocket knife. Some of the rock was put to a preliminary test with acid and no change was effected in its ap-pearance. The scrapings from the rock, when attempted to be pulverized, sale. held together almost like gold la has caused much excitement, and if in turns out to be gold when an assay is secured, there will be a grand rush for the vicinity.
