## Little Soldiers

In your blood are the millions of or-  
puscles that defend you against attacks  
of disease.

To make and keep these little sol-  
diers healthy and strong, is simply to  
make and keep the blood of the right  
quality and quantity.

This is just what Hood's Sarsaparilla  
does—it helps the little soldiers in  
your blood to fight disease for you.  
It cures scrofula, eczema, eruptions,  
catarrh, rheumatism, anemia, nervo-  
usness, dyspepsia, general debility, and  
builds up the whole system.

It effects its wonderful cures, not  
simply because it contains sarsaparilla  
but because it combines the utmost  
remedial values of more than 20 differ-  
ent ingredients. If urged to buy any  
preparation said to be "just as good"  
you may be sure it is inferior, cost-  
less to make, and yields the dealer a  
larger profit.

pany has received the revised and ap-  
proved plans for the new \$100,000 joint  
freight depot and work on the large  
structure will begin on Monday morn-  
ing. The structural steel has been  
ordered and should be on the grounds  
within 40 days. Meantime the excava-  
tion for the basement will be completed  
and the foundations and other con-  
crete work will be in readiness when  
the steel arrives. It is understood  
that the building will be completed by  
March 1. The basement will be used for  
storing records and for lavatory and  
toilet purposes and the first floor will  
be occupied by cashier McDowell and  
his staff of assistants and the receiving  
and checking clerks and freight  
handlers. The second floor will be fit-  
ted up as the headquarters for Joint  
Freight Agent W. H. Chivers and his  
large staff of more than a hundred  
clerks.

## SERIOUS GUN ACCIDENT.

OGDEN, Oct. 2.—Clifford Cave, the  
15-year-old son of Druggist George F.  
Cave, met with a very painful accident  
while hunting ducks near Warren yester-  
day morning about 7 o'clock. It  
is not known where the shot which  
struck him came from but suddenly his  
left eye was penetrated by a small  
lead shot and several others were im-  
bedded in his face. As soon as the  
accident was made known to his father,  
arrangements were made to take the  
young man to the Groves L. D. S. hos-  
pital at Salt Lake City and Mr. Cave  
and Dr. Piddock accompanied him to  
the capital later in the day. It  
thought that the cause of the accident  
was due to so many hunters all firing  
in different directions and that it will  
be impossible to ascertain from whose  
gun the shot was fired.

Mrs. Rich and MacCurry left the hos-

## LEHI SUGAR FACTORY STARTS RECORD RUN

(Special Correspondence.)  
LEHI, Oct. 2.—The big sugar mill  
began grinding beets for the 1909 sea-  
son on Thursday evening and the fac-  
tory commenced turning out sugar to-  
day. The factory is in splendid con-  
dition for making what is expected to  
be its record run. Spanish Fork and  
Springville cutting stations, auxiliaries  
to this factory, began cutting beets  
this week. The Provo branch will start  
up later.

The beets are coming in rapidly. The  
weather is ideal for ripening as well  
as for harvesting them. The sugar con-  
tent, due to the splendid season, is said  
to be better than ever before.

## CITIZENS' TICKET NAMED AT MIDVALE

MIDVALE, Salt Lake Co., Oct. 2.—At  
a mass convention of citizens held here  
last night in Goff's hall the citizens  
were named for the municipal ticket for  
the election in November: Mayor, Hyram  
Goff, recorder, Edward A. Bateman;  
treasurer, R. E. Douglas, city justice,  
Niels Lund. These were all nominated  
by acclamation. The following were  
named for councilmen: Harry P. Miller,  
for long term; Patrick E. Sullivan, John  
M. Watson, R. H. McDonald and Hol-  
land E. Benedict for short term.  
With two exceptions, all the nominees  
are the present incumbents and it is the  
general idea that they should be given  
another term. The residents of the place  
being satisfied with their work thus far.

## AMERICAN FORK PUTS UP NON-PARTIZAN TICKET

(Special Correspondence.)  
AMERICAN FORK, Oct. 1.—It was  
decided by the chairman and execu-  
tive committees of both political par-  
ties one week ago to call the citizens  
together, to consider if it would not be  
in the interest of the community to  
have a citizens' ticket for the forth-  
coming municipal election. The people  
met and decided to adopt the sugges-  
tion and committees were appointed to  
frame a platform and make other ar-  
rangements. Last evening the citizens  
met in mass meeting in the Opera  
House and adopted a platform, indorse-  
ing the action of the present city coun-  
cil in passing the Sunday closing law  
and also the ordinance closing up the  
saloons and prohibiting the sale or  
manufacture of intoxicating liquors  
after Jan. 1, 1910. It also pledges the  
nominees of the Citizens' ticket to en-  
force the above laws.  
The following ticket was then placed  
in the field:  
For Mayor—James T. Gardner, the  
present incumbent.  
Councilmen—John Hunter, long term;  
E. J. Clayton, Alma Greenwood, and  
William Thornton.  
For Recorder—Joseph B. Forbes.  
For Treasurer—James H. Dunkley.  
For Justice—George Cunningham.  
There is some talk of placing another  
ticket in the field, the nominees of  
which will not be in favor of Sunday  
closing or prohibition. Should such a  
ticket be put up it would get scant  
support as the great majority of the  
people are strongly in favor of the  
reform measures.

## DRAPER COMMERCIAL COMPANY STORE ROBBED

DRAPER, Salt Lake Co., Oct. 1.—Some  
time last night burglars entered the  
store of the Draper Commercial com-  
pany, ransacked the whole place, selected  
what they wanted and departed with  
about \$500 worth of goods and left very  
little clue for the officers to work upon.  
Six trays of jewelry, 36 pairs of shoes,  
several dozen blankets, underwear,  
milk, etc., are among the things miss-  
ing.  
The theft was discovered by Manager  
Clark at 1 o'clock Friday morning. He  
at once reported to Sheriff Sharp, who  
dispatched men to the scene. A few  
clues found in the store lead the officers  
to suspect two well known persons.

## GARDNER-BEAN NUPTIALS AT RICHFIELD

(Special Correspondence.)

Mr. and Mrs. Geo. C. Peterson died on  
the 28th inst. of typhoid fever.
