IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been relaid with steel rails.

The Depot in Chicago is central in location, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making East bound connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had by any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

Meetings.—Religious services tomorrow afternoon at the New Tabernacle, and in the various ward meeting houses in the evening.

Notice.—The members of the High Council are requested to meet at the City Hall, in this city, Tuesday, November 2d, at ten a.m.

GEORGE E. WALLACE.

A Bee Meeting.—All interested in bee culture are invited to attend a meeting, to be held in the City Hall, on the evening of Saturday, Nov. 6th, commencing at half-past six o'clock.

Select Party.—We have before us an invitation to attend a select party at the 16th District Schoolhouse, on Thursday evening, November 4th.

Sunday School Teachers' Meeting.—Superintendents and Teachers of Sunday Schools will please remember their monthly meeting at the City Hall at 7 o'clock p.m. on Monday.

At Work.—The committee appointed at the meeting called by the Mayor to take steps to collect relief for the Virginia City sufferers, have been actively engaged soliciting contributions to-day for that purpose.

Missionaries.—Elders R. R. Lewellyn, Louis Andersen and James Woodard, of Fountain Green, and John Larsen, of Moroni, all missionaries, called at the late Conference, are in town, and expect to start for their fields of labor on the second of November.

Appreciative.—Messrs. Walker Brothers, whose liberality to the Fire Brigade is proverbial, yesterday sent to that organization, as a token of their appreciation of their efficient services at the fire, on Thursday night, a present of $250. While the fire was in progress they also supplied the men with refreshments. Mr. George Romney also liberally testified his appreciation of the work done by the firemen by sending them a check for $100.

Personal.—Mr. Edward S. Baker, representing the firm of E. J. Bowen, dealer in seeds, of San Francisco, made a pleasant call on us yesterday. He left San Francisco in May, but came from Montana here, having arrived the evening previous. He is going through the settlements as far as St. George, on the business of the firm. He had made a trip to the Yellowstone Park, which he describes as a wonderful country. August he thinks the best time to go. He complained of the mosquitoes and the flies and also the snow and the cold frosty nights. He has a number of Montana mineral specimens with him, purple and white quartz, also silver ore from the Cornet and M. Davis lodes, some assaying $1.600 to the ton.

Buried Alive.—Between nine and ten o'clock this morning, while William Affleck, of the 20th ward, and Theodore Branley, resident of the 17th ward, were at work in the excavation opposite C. R. Barratt's furniture store, corking the water-pipes, the earth, which is somewhat loose and gravelly at that point, caved in on them. Branley, who was lying on his side, putting the lead in the under side of the joint of the pipe, was completely buried, and Affleck, who was in a stooping posture, partially so. They were extricated as quickly as possible from their perilous situation, and taken to their respective homes. Branley, who was attended by Dr. S. B. Young, complained of severe pain in his chest and the other in his back and chest. It is not considered, however, that the injuries of either are dangerous.

Relief for the Sufferers.

The call of Mayor Wells for a mass meeting at the City Hall, last evening, for the purpose of adopting measures with a view to collecting means to aid the sufferers by the late disastrous fire, at Virginia City, Nevada, was not as extensively responded to as might have been anticipated, from the character of the object. Those who did attend, however, showed that they were in earnest on the subject under consideration. Perhaps the fire in our own city the night previous damped the ardor of some.

A motion, made by Major H. C. Goodspeed, that Mayor Wells be chairman of the meeting was carried unanimously; and, on motion, Messrs. Goodspeed and J. Nicholson were appointed secretaries.

Mayor Wells, in a brief and pointed address, explained the object of the meeting. He described the destitute and pitiable condition of many of the people of our sister city, of Virginia, Nevada, by the great disaster that had befallen them, and stated that their condition appealed to our strongest sympathies. It was our duty to extend the helping hand to the unfortunate, we being all liable to calamity.

Judge W. H. Haydon, after a few appropriate remarks on the subject under consideration, moved as the best means of accomplishing the object in view, that the chairman appoint a committee of ten, to solicit and obtain donations, and report the result of their efforts to the Mayor, that he might communicate with the Mayor of Virginia city regarding the forwarding of the means accumulated, &c. The motion was carried unanimously, after which remarks were made by Thomas Marshal, Hon. W. H. Hooper, P. H. Lannan and Major Goodspeed.

It appeared to be the sense of the meeting that the committee should not only accept donations of money, but also of provisions, clothing, or anything else that could be applied for the relief of the distressed people for whom the aid was designed.

The Mayor announced the names of the committee of ten as follows—

Wm. Jennings, John T. Caine, Wm. Haydon, John Sharp, H. W. Lawrence, W. H. Hooper, Thos. Marshall, J. R. Walker, P. H. Lannan, Jas. T. Little.

Mayor Wells said he would subscribe $100 himself, which sum he laid upon the table, and $500 in behalf of the City, subject to the approval of the Council, which announcement was received with applause. These and other donations from gentlemen present aggregated nearly $1,000 as follows—

S. L. City Corporation	$500
Mayor Wells	100
Wm. Jennings	100
W. H. Hooper	100
Thomas Marshall	50
A. C. Pyper	25
P. H. Lannan	25
W. Haydon	25
H. C. Goodspeed	25
J. R. Winder	10

A couple of donations from a poor man and woman, amounting to $1.75, which had been left at the City Hall during the day, were also handed in.

The committee made an appointment to meet at the Bank of Deseret, at 10 o'clock this (Saturday) morning to organize and take the necessary steps in the premises, after which the meeting adjourned *sine die*.

A Damaging Admission.—In the District Court yesterday, when Judge Boreman was corrected by counsel on both sides, in the case of Young *vs.* Young, in his impression that he had signed a warrant of attachment to have the defendant brought into Court, he made the damaging admission that he had placed his judicial signature to a paper which he did not sufficiently examine to enable him to determine its character, and supposed it was a warrant. What about a Judge who puts his official signature to a document without knowing whether it is an order to show cause, a warrant of attachment, a death warrant, an order for a suit of clothes, or a ton of coal, or anything else?

The Contempt Case.—In accordance with his decision in the case of Young *vs.* Young, Judge Boreman made the following order yesterday—

The motion heretofore made in this cause that the defendant be committed until he comply with the order of this Court, made the 26th day of February, 1875, having been signed by Counsel and taken under advisement now after due consideration of the law and premises, and it appearing to the satisfaction of this Court that the defendant has not complied with said order, and no lawful excuse being shown for his failure to comply therewith, it is ordered and adjudged that the said Brigham Young is guilty of a contempt of this court, and it further appearing that the said Brigham Young has the ability to comply with the said order, and has wilfully failed to comply with the same, and still refuses to do it is further ordered that he be imprisoned by the United States Marshal until he shall have paid the plaintiff or to her order the sum of $9,500, and the costs of this proceeding, taxed at $5, or until the further order of this court.

On Monday next the Bank of England will be closed, it being the day for striking the regular half-yearly balance.

The Leeds *Mercury* of to-day says that the large iron producers, I. Blockow, Naugham & Co., employing in the collieries, mines and works nearly ten thousand men, have notified their employees at Middlesborough, Wilton Park, and Eston works, in Warwickshire, that owing to the depression of trade their engagements must terminate on the 30th of November.

Provisions for Cuba.

NEW YORK, 30.—Large quantities of provisions are going to Cuba. The *City of Vera Cruz* took out a full load, and to-day two extra steamers leave for the same point. In consequence of the recent arrival in Havana of 150,000 troops, it is surmised that the provisions are intended for them. The cereals taken out include rice and wheat in vast quantities, and when the 7,000 more Spanish troops land, it is supposed that the export of breadstuffs will be doubled. All the steamers which have recently sailed for Havana have been picked, as far as safety would admit. The amount in the steamers billed to leave within the next two weeks is greater than the capacity of the vessels, and in consequence several extra steamers will leave.

Strike Inaugurated.

The board of education of Union Hill, N. J., voted, last night, to prohibit the reading of the Bible in the public schools, some of the citizens openly threatened that there should be bloodshed before the Bible should be removed.

LOUISVILLE, 30.—A severe rain, wind and hail storm passed over this city last evening and early this morning, causing a number of houses to be unroofed, blown down and damaged; no loss of life.

Fatal Railway Accident.

CINCINNATI, 30.—The *Times* Indianapolis special says that as a freight train on the Pan Handle railway was approaching a bridge near Cambridge, Ind., last night, during a terrific storm, the engineer saw the bridge totter and fall; he reversed the engine, jumped and saved his life; the engine and four cars went through, burying the fireman and head brakeman, and killed both.

THIS IS THE

MEDICINE OF NATURE

For Destroying and Expelling all Kinds of Worms, Cleansing the Body, Blood, &c.

SYMPTONS OF WORMS.

A few of the most Common Symptoms which indicate the presence of worms:—Changeable Appetite, Offensive Breath, Pains in the Stomach and head, Grinding of the Teeth during Sleep, Pale Face with Hollow Sunken Eyes, Itching of the Nose and Fundament, Irregularity of the Bowels, a Short Dry Cough, Loss of Spirits, Feverishness and Disturbed Sleep, Rising in the Throat causing Sickness, &c.

DO NOT LET YOUR CHILD DIE.

Shall the bud of infant bloom
Soon be hurried to the tomb?
Mother, you with watchful eye,
Do not let your darling die.
Mark the dullness of that eye,
All irregularity;
Mark that paleness, white and deep,
And the feverish fitful sleep,
See the stomach, full and hard,
And the Bowels still debarred,
All bespeaking pain and woe.

SAVE IT—SAVE IT!

Why has your darling never smiled,
The Worm is in your precious child,
And gnaws its vital powers away,
Sinks it to death and dire decay.
Hear then the really welcome sound,
Save it! a remedy is found.
PLANT'S never-failing Powder and Syrup
A cure most sure and speedy makes;
Kills the death-worm, and the gloom,
Changes to matchless health and bloom;
It never fails, it never can,
It cures the child, the youth, the man;
It's taken, too, with haste,
Not unpleasant to the taste.
Hundreds who have tried it all attest
It is the cheapest and the best.
Try it—try it—try it—try it—
Every parent now should buy it,
Wait not till another day,
Till every chance has passed away;
Make at once the solemn vow
That you will try it—try it now!
Mother, you with watchful eye,
Do not let your darling die.
