Our Country Contemporaries,

Ogden Junction, April 2-

From P. C., our correspondent at Logan, Cache County, we have received particulars of a melancholy occurrence at that place on the 29th ult. A little boy eighteen months old, son of Paul and Madeline Cordon, well known and re-spected citizens of Logan, picked off the floor and ate some concentrated lye which had accidentally fallen from a shelf. As soon as it was known Dr. O. C. Ormsby was sent for, who exercised all the skill at his command to save the child. But it was without avail. The But it was without avail.
