## Judge Diehl Suspends Sentence for E. J. Harley-Jennie Steele Again,

In Judge Dichi's court this morning, an aged man named E. J. Harloy was arralgued on the churge of drunken-He plended guilty but begged for elemency, claiming he was going to for clemency, claiming he was going to California as soon as his relatives could arrange for his transportation. The aged man got drunk last night and fell on the pavement on east First South street. His face was badly cut and bruised and he presented a sorry appearance in court this morning. Judge Diehl suspended sentenced un-til Mondoy and in the meantime the court will learn whether or not ar-rangements have been made to send the man away.

The promotes have been made to send the man away. Dan Carson, charged with vagrancy by begging, admitted his guilt, but begged hard for demency. He sold he bid a good job to go to and the court was about to discharge hins when it was learned that Carson got out of jail only yestering morning and was found begging on the streets, He will remain a guest at the city jail for the next 30 days. Jounie Steel was again on the romm-r's beach this morning. Drukenness was the charge and for once sha did not deny the charge or ask for mercy. She almythy said "thirts days," sat down.

### SALT RIVER. ARIZONA. erable speculation concerning th whereabouts of the United States sig AGAIN IN FLOOD STAGE. nal corps balloon No. 10 in which J. C McCoy and Capt. Chas. de F. Chandler

Phoenix, Ariz, Oct. 19.—The days and nights of frequent rains, some of them downpours, have placed the Sali river and its tributaries in a flood stage again. Early this morning about 17,000 again. Early this morning about 12,000 fuctors of water, flooding the river from Pinal creek, 20 miles above Roosevell, submerged the hig storage dam under construction at Roosevell, evering three tumerase derrinks and other ma-chlnery, and stopping work. This afternoon another flood poured in from Tonto creek, a mile above the dam. Sikry miles below the Verds dver began emptying the flood waters. The granite rest diversion dom, 1,000 feet long, under construction four miles below North Verds and 25 miles below Phaenix will probabily be submorged to.

Phoenix will probably be submorged to-night when the Roosevelt flood waters join the Verde flood. The reclamation service at Granits

Reef is busy tonight removing machine ory from the bed of the river, by mean of an immense cable. No other durant is reported.
