INVITATION.

It may not be generally understood by the public that everybody is welcome to the Old Folks' grand concert at the Tabernacle to-morrow (Wednesday) morning, at 10 o'clock, except to the parts reserved for the committee for the old folks over 70 and the committees. The citizens who have charge of the aged, with the aid of the Bishops and all others who have teams in the various wards, are particularly requested to bring them to the Tabernacle, at the latest, by a quarter to 10 o'clock, as the committee are anxious to commence punctually at 10 o'clock, to enable them to go through the exercises in reasonable time, and avoid weariness to those who are far advanced in years. Come one, come all, fill up the galleries, and either side of the lower part, and witness such a sight as never was seen before in America.

E. HUNTER, In behalf of Committee.

A Show Difficulty.—Last Saturday, at Denver, some of the roughest boys attached to John Robinson's show got attachments out against the concern and some of the property was levied upon. The men at whose instance the proceedings were instituted claimed that they were not properly paid. The Company made the matter right, however, and an amicable settlement was reached.
