### Guilty of Horse Stealing.

The two youthful criminals, Roy and Leon Wright, who were recently captured by Sheriff Belnap in Salt Lake on a charge of horse stealing, were given a hearing yesterday before Commissioner Tenney. The boys plead guilty to the charge and were bound over to the grand jury in the sum of $500 each. They were unable to furnish the required bond and will, therefore, languish in the county jail until called into the presence of the aforementioned inquisitor. By way of palliation for the offense committed the boys poured into the ears of the judge a tale of woe concerning their unfortunate condition, which evidently made but little impression on that gentleman. The lads will have time to reflect over their rash act while inmates of the hotel de Belnap.

An order was also made fixing Friday, September 8th, for hearing petition of Kate McQuaig for an order of distribution of the estate of John McQuaig, deceased.

### Narrow Escape.

Mrs. Porter, wife of ex-Superintendent of Public Grounds William Porter, had a narrow escape from a very serious accident this morning at 8 o'clock, as she was driving along Washington avenue. When near the Reed hotel the horse took fright and began running. The lady had an infant in her arms and a little girl at her side, and was unable to control the terrified animal, which ran across the street car track in front of A. H. Cannon's book store, when a collision with a pole in the center of the street was narrowly averted by the lady's presence of mind in guiding the horse a little to one side. Several men rushed out from the city hall grounds, caught the horse, and brought him to a standstill without any damage being done.

## PROVO.

PROVO, UTAH. - AUG. 19, 1893.

### DEADLOCK BROKEN.

John A. Brown Appointed Sheriff of Utah County.

For a week past the county court has been a deadlock on the appointment of a successor to Sheriff Fowles. Two candidates were in the field, John A. Brown of Provo and Wm. Hall of Springville. Brown was supported for the position by Judge Jones and Selectman Evans, and Hall by Selectmens Jones and Deal. Last night the deadlock was broken by the candidates themselves. For fifteen minutes they were closeted in a room from which came the sound of clinking coins and mutterings of heads, tails, etc. Then Mr. Hall came out and appeared before the county court, which had been waiting in suspense. There was absolute silence while he announced the withdrawal of his application for the position of sheriff in favor of John A. Brown. The county court at once proceeded to vote, and it was unanimous in favor of Mr. Brown.

### Arrested for Fornication.

C. H. Brush, a prosperous farmer residing at Lake View, was taken into custody on Thursday evening on the charge of fornication. The arrest was made by Deputy Marshal Berry on a warrant sent by Sons Nephi. Brush has been living, it is said, with a Miss Dowes, daughter of Robert Dowes of Nephi, quitting the entire settlement, representing that she was his wife. He became tired of her, or they disagreed, and the young lady went to her home in Nephi and fell to her accumulations of tears. Brush was taken to Nephi yesterday and will receive a preliminary examination before the U. S. commissioner court today.

A fire started yesterday afternoon in the shed which is strewn around the granary in the rear of S. S. Jones' store. By prompt action a serious conflagration was averted. The origin of the blaze is unknown, but it is supposed a lighted match of cigarette stump was dropped by some careless smoker.

Mrs. Mary I. McLennan, an unfortunate woman from Montana, for who has been running with relatives in Payson, was yesterday ordered committed to the insane asylum by Judge Jones.

The score of the baseball game between the teachers attending the Summer Institute and the Provo team was 9 to 8 in favor of Provo. Call pitched for the pedagogues.
