suow-slide on Fairview monn- dow, but did not take much notice A snow-slide on Fairview monn-tain last Saturday evening, came hear carrying two miners to a horri-ble death. As Justin McCartby and another miner were descending the mountain, a strip of snow about accentry-five feet wide began to slide and they were hurled into a gulch a teousand feet below. One of the men lost his snow shoes and his right hand was badly bruised and sprained. He was burled under three or four feet of snow, but man-aged to extricate himself. — Mining News, Pitkin, Gunnison County, Colorado men lost his snow shoes and his right hand was badly bruised and sprained. He was buried under three or four feet of snow, but man-aged to extricate himself. — Mining News, Pitkin, Gunnison County, Colorado

LOCAL AND OTHER MATTERS

The Harrisons .- The Harrisons have arrived all well. Mr. Gourlay will, for the benefit of his Scotch friends, as well as his many other admirers, introduce a Scotch comic song among his specialties this evening. Their piece "Photos" is the same as before, but the specialties are all new.

The Farmington Case .- Yester. day George Steed, of Farmington, was arrested by deputy U. S. Marshal Gaptain Greenman. Steed had been indicted by the grand jury for an assault with a deadly weapon upon Robert White, the alleged sequcer of his wife. Mr. Steed was released on bonds of \$1,000, for his appearance for trial.

Wants a Situation .- A lady of excellent character and affable manners, a member of the Church, is desirous of obtaining a situation in a family in this city. She would like to undertake the care of children, for which she is admirably adapted, or do the lighter class of work about the household. For particulars or raised, and there is planty of room reference apply at this office.

Particular Notice -As an evidence of the great superiority and attractiveness of the Vokes over all similar entertainments, the following money receipts in three cities are submitted: Globe Theatre, Boston-two weeks, Twenty-four thousand and eighty dollars; Grand Opera House, Cincinnati, Ohiotwo weeks, twenty-three thousand one hundred and sixty dollars, Niblo's Garden, New York-two weeks, seventeen thousand and forty-aix dollars. Their annual tour throughout this country is always thoroughly successful. Hundreds of persons are very often turned from the doors, unable to obtain even standing room. Their European engagements have been of the most positive and brilliant character. For months they have crowded to the tional Convention;" Editorial: "Des

After casting about in the Territory for the best spot on which to establish a hop farm he finally selected Provo Bench about three miles from that town, where he has secured 80 acres of land for the purpose. He has there alzeady planted eight acres in hop

vines, which he grubbed out of the adjacent canon with his own efforts. He asserts that Utah is the natural home of the hop, and anticipates being able to raise 15,000 pounds to

the acre. Hops are now sold at 80 cents a pound, and \$35,000 goes out For some days past the above roads have been hauling furniture of the Territory annually for the arsway from Barratt Bros. ticle. Major Berry states that there is a ready market for all that can be

for others to engage in hop culture, there being money in the business, as it would pay if the returns were only 20 cents a pound.
