Medford, Mass., May 6 .- Miss Nellie Sturtevant, aged 25, daughter of Treas. urer James S. Sturtevant of the Medford Co-operative bank, was shot and killed at her home late last night by an unknown man who attempted to rob her father as he was returning from a bank meeting with a satchel filled with checks and money. The assassin then jumped upon his bicycle and escaped.

An Italian who answered the description of the murdered was arrested two hours later on suspicion. Mr. Sturtevant reached his home about 11:30 last night, having with him a satchel well filled with money and checks belonging to the bank. As he stepped upon the plazza of his house his wife and daughter opened the door and a few words of greeting passed between them. At that moment a roughcoking stranger appeared around the iuzza and, revolver in hand, ordered dr. Sturtevant to throw up his hands. The order was not immediately obeyand Miss Sturievant stepped in front ed and Miss Sturievant stepped in front of her father to shield him from harm just as the intruder fired, the bullet en-tering her body, with fatal results. Ayer's Sarsaparilla

"I was a soldier in the Spanish-American War. After returning home I found that I was a perfect wreck. I was all run down, my blood was impure, and my nervous system in bad shape. I tried almost every medicine I could hear of, but none of them did me any good. I then tried Ayer's Sarsaparilla and began to improve at once. I want to recommend it to every sufferer from impure blood." --- H. C. DOEHLER, Scranton, Pa.

November, 1002.

"I had a terrible case of scrofula, and I kept trying all kinds of medicines, but they did me no good. One day I thought I would try Ayer's Family Medicines, so I bought two bottles of Ayer's Sarsaparilla and two boxes of Ayer's Pills. I took them according to directions, and in a week I was greatly improved. Before all the medicine was gone I was completely cured. I shall always recommend your medicines to others." - CHAS. L. LOCKE, Stanford, Mont. December, 1902.

"Ayer's Sarsaparilla made the greatest cure for me ever accomplished by any medicine in the world. As a result of a long sickness in the army I had fever-sores, varicose veins, and ulcers of the worst kind. I was on crutches a great deal of the time from 1862 to 1901. Then I began to take Ayer's Sarsaparilla, and I am happy to say that my limb is entirely cured. I can go with-out crutches and can walk without a limp."-DAVID C. HOLT, West Haven, Conn. December, 1002.

Cured these people

"I suffered untold misery for many years from indigestion. I then began to use Ayer's Sarsay arilla and I soon felt its good results. I only had to use four bottles, and I tell you it was money well spent. Words cannot express to you the gratitude I feel for this great cure. I must say that no one need suffer with indigestion if they can buy Ayer's Sarsaparilla," - MRS. F. R. HAR', Mt. Kisco, N. Y. September, 1902.

"I owe my life to Ayer's Sarsaparilla and Ayer's Pills. They are the wonders of the world. I was in a terribly nervous condition, so that I could not bear the slightest noise, but immediately after beginning the use of these medicines I noticed an improvement, and soon was entirely well. I have also gained 10 pounds in weight from its use." -- MRS. DELIA MCWELL, Newark, N. J. September, 1902.

"I am anxious to let every one know what Ayer's Sarsaparilla has done for me. I am a great sufferer from sciatic rheumatism, but whenever a fresh attack comes on I take the Sarsaparilla and am soon over it. I keep it in the house all the time, for I cannot get any ease from any other medicine. How can I tell you the true worth of this medicine?"-MRS. CHAUNCEY TYLER, Randalisville, N. Y.
