

O TEMPORA! O MORES!

SERIOUS EXPLOSION AT MANTI.

Husband and Wife on Traveling Thompsons
Met With a Sad Accident.

Mr. and Mrs. Thompson, husband and wife, and members of a family of five, were on the beach near Manti, Mo., on the morning of the 29th inst., when a serious explosion took place, the result of which was the death of the husband and wife, and the serious injury of the children. The explosion was caused by the explosion of a barrel of dynamite, which was being used by the Thompsons for the purpose of clearing the land. The explosion was so violent that it threw the Thompsons and their children into the air, and the dynamite barrel was blown to pieces. The Thompsons were taken to the hospital, but the husband and wife died of their injuries. The children were also seriously injured, and are now in the hospital.
