Florence, 2.
In a public speech yesterday, Victor Emmanuel declared that it was the unanimous decree that Rome should be the Capital of the nation, but the treatment of the question demanded patience on the part of the people.

New York, 3.
A Havana special says the blockade by the three Mexican schooners continues. Diaz is ordered to take the field in Yucatan. Vessels are being loaded at Vera Cruz to take 3000 tons to Campeche.

It is stated the rebellion in Yucatan was started by Santa Anna, who furnished money and men. It is reported he failed to interest several French officers in the scheme.

It is rumored that the Mexican Congress is about to authorize an increase to the army of 18,000, at a cost of \$400,000.

Boston, 3.
Governor Bullock was inaugurated today. In his Message he states that the funded debt of the State is \$24,000,000, and recommends a positive enactment for the regulation of the sale of liquors, in accordance with the popular decision.

Referring to national matters, he argues against confiscation, and against illiberal legislation. He says, while compromising no principle for which we have been contending, let us restore those lately in rebellion to their equality and rights, as speedily as is consistent with the national safety. Rebels must understand, however, that the nation will maintain its guarantees of rights to loyal men. The equality of rights and universal suffrage are irrevocable, but personal preferences should yield, and factional subsides, that peace, good will and union may again forever abide throughout the republic.

The Indian Commissioners have met, and the preparation of their report is entrusted to Senator Henderson.

By special orders, issued January 2nd, his Excellency B. F. Flanders, Governor of Louisiana, having resigned, Johnson Baker is appointed to fill the vacancy of the same. The order assigns General B. C. Buchanan to the command of the District of Louisiana and Assistant Commissioner of the Freedmen's Bureau. The Times says, the new governor is a native of Kentucky, but an old citizen of Louisiana. He was a member of the Philadelphia convention and is fully qualified to take the oath.
