

RAILROADS.

GREAT CENTRAL ROUTE

THE MICHIGAN CENTRAL RAILROAD

Runs in running FOUR EXPRESS PASSENGER TRAINS DAILY between Chicago and New York, Boston, and all intermediate points in New England, New York and the Canada.

The renowned Pullman Palace Sleeping Cars are run on this line, exclusively from Chicago east, and are fully supplied on all night trains.

The famous PULLMAN HOTEL CARS leave daily on evening trains running directly through to Rochester, N.Y., without change.

The passenger equipment of this line is unequalled by any other in the country, and will be found by patrons to possess all the requisites of "SPEED, COMFORT AND SAFETY."

Connected with the

GREAT CENTRAL ROUTE

IS ALSO

The Blue Line

Established January 1, 1887, for the carriage of

Through Freight without Transfer

This line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western of Canada, New York Central, Hudson River, Boston and Albany, Providence and Worcester, Worcester and Nashua, Housatonic and Jackson, Lansing and Saginaw Railroads.

THE "BLUE LINE"

is the only route that offers to shippers of freight the advantage of an unbroken gauge of track from Chicago and the Mississippi River to the seaboard, and is the same gauge as the Union Pacific, over which these cars will run on completion of that road.

THE BLUE LINE CARS

are ALL OF UNIFORM BUILD, thus largely assuring the shippers of the uniformity of a mixed construction, and the consequent difficulty of repairs while remote from their own roads.

The Blue Line is operated by the Railroad Companies who own it, without the intervention of intermediate parties between the Roads or Line and the public.

The facilities of the line for making uniformly quick time are unequalled.

All claims promptly settled on their merits.

Freight contracts given at the offices of the Companies in New York, Boston, etc.

H. E. SARGENT,
Gen'l Supt. M.C.R.R., Chicago.

H. C. WENTWORTH,
Gen'l Pass. Agent, Chicago.

ROAD BED

Laid with heavy New Rail, giving passengers the advantage of

SPEED, COMFORT AND SAFETY COMBINED.

Both Trains connect at Chicago with East Express Trains for the East.

DON'T BUY A
SEWING MACHINE
Until you have examined the
FLORENCE

With a large number of Sewing Machines
have been offered to the public, some of
which possess points of excellence and ac-
knowledge merit, we have long felt the neces-
sity of a machine which perfect in its mecha-
nical structure, combining the highest degree
simplicity with durability, which, while cap-
able of doing a greater range of work, is so easily
understood that a child can operate them.
Disregarding the chain stitch of the Grover &
Baker, so easily ravaged, and subject to wearing
out, on account of cord on the under side, we
adapt the lock stitch alike on both sides of the
fabric, and have added the Knack, double knot,
and double lock, thus uniting every range of
fabric.

The four different stitches and reversible feed,
which allows the work to run either way, make
it incomparably the best for family use.
We also offer

A NEW MANUFACTURING MACHINE,
which is pronounced the Machine of the age.
If there is a Florence Sewing Machine in Utah,
Idaho, Montana, or Wyoming not giving per-
fect satisfaction, we will repair it free of any
charge.

Branch Office at Salt Lake City,
Will be open by September 23d.
Ladies are invited to call and examine our
Machines, whether designing to purchase or
not.
