

GOV. HEYWOOD'S APPEAL IGNORED

Urged Mob to Respect the Law
And Spare the Negro
Assaulter.

BUT THEY SHOT HIM TO DEATH

South Carolina's Executive Spoke for
His State and Humanity But
It Did No Good.

Greenwood, S. C., Aug. 16.—Bob Davis, the negro who assaulted Miss Jennie Brooks near here Monday, was lynched here at 7 o'clock tonight. Gov. Heywood made a strong appeal to save the negro, but the mob was determined and shot the negro to death.

The negro, who was captured this afternoon near Ninety-Six, was positively identified by Miss Brooks. He was led to within a hundred yards of the Brooks home and lynched, a negro woman firing the first shot.

The assault by Davis on Miss Brooks was made in her father's store, where she was temporarily in charge. After making some purchase the negro grasped a meat knife, shouting, "You are what I want," and sprang toward the girl. Miss Brooks attempted to defend herself with an iron bar, but the negro slashed her across the throat and almost severed two of her fingers. After making some purchase the negro grasped a meat knife, shouting, "You are what I want," and sprang toward the girl. Miss Brooks attempted to defend herself with an iron bar, but the negro slashed her across the throat and almost severed two of her fingers. After making some purchase the negro grasped a meat knife, shouting, "You are what I want," and sprang toward the girl. Miss Brooks attempted to defend herself with an iron bar, but the negro slashed her across the throat and almost severed two of her fingers.

The young woman, lying on her bed with a deep gash in her throat, turned toward the negro as he stood between his captors. "That's the scoundrel," she said. "I know him by his eyes." The negro was removed outside the house. "Hear the governor," said someone, and the executive began an impassioned appeal.

"I know," he said, "that nothing could take place that could keep you from hearing the governor of South Carolina. I come here alone, not bringing any troops. Only two newspapermen came with me, and they as well as I am South Carolinians, just as you are, with like feelings.

"But it is my duty to enforce the laws of South Carolina. Don't cheer, men; this is a solemn occasion, and I am very much in earnest. I come to appeal to your manhood. The question is, shall the people be allowed to be ruled by their passions or shall the majesty of the law be upheld? I promise you on my honor that as speedy a trial as the law allows shall be held. I would not object to cutting the rope to hang that scoundrel provided the law says so."

A few yards away stood the dazed physician and men stood close about him with rifles and shotguns in their hands.

"I am here alone," went on the governor, "but I represent the state of South Carolina, your state and mine, and I say to you, I beg you, I implore you in God's name not to put another stain upon our fair state. You have an opportunity here—a splendid opportunity—to let it be said that South Carolina leads in this matter. Let us reason together. I feel just as you do. I have lived in the country and realize the

dangers to which our women are constantly exposed, but there is something higher than the wreaking of vengeance on that black devil and fiend of hell. You won't enjoy it tomorrow when you look back upon it all."

Here some men came up to the stand and said: "We appreciate what you say, but we are not going to do it. We have stood this thing long enough."

Many shouted for the governor to go on, and he concluded his fruitless appeal to prevent the lynching.

GRAND ARMY OF REPUBLIC'S NEW COMMANDER-IN-CHIEF.

Minneapolis, Minn., Aug. 16.—Commander-in-chief—R. B. Brown, Zanesville, O.

Senior Vice Commander—William H. Armstrong, Indianapolis.
Junior Vice Commander—E. B. Fenton, Detroit.

Thrusting in—Chief—Archbishop John Ireland, St. Paul.
Surgeon General—W. H. Johnson, Lincoln, Neb.

These officers were elected today at the annual meeting of the Grand Army of the Republic. All other officers are elected later by the new commander-in-chief. The strongest opponent of Mr. Brown for the honor of being commander-in-chief was C. G. Burton of Missouri and Capt. P. H. Coney of Kansas. Both withdrew when it was seen that the election of Mr. Brown was a certainty.

Several candidates were nominated for senior and junior vice commanders, but later all withdrew in favor of Armstrong and Fenton and both were chosen unanimously. Archbishop Ireland had no rivals for the position of chaplain-in-chief.

After the election the place for holding the next convention was taken up, but adjournment was taken before a vote was reached. The voting will be resumed tomorrow.

It is expected that the debate on the Wilson monument proposition will also come up tomorrow.

Despite the fact that Commander-in-Chief Tanner strongly urged that a protest be made against the erection of the monument, there is a pronounced feeling that the matter is not one of which the Grand Army should take official notice.

The new commander-in-chief of the G. A. R., R. B. Brown, was born in 1845 and has always lived in Ohio. He enlisted in the Fifteenth Ohio Infantry at the age of 16 and served in the Fourteenth Army Corps in the Army of the Cumberland until he was mustered out in 1864. He then reenlisted and served until the end of the war. He was a private for three years and then became a non-commissioned officer. He has long been active in the work of the Grand Army. Mr. Brown is now editor of the Zanesville Courier.

Mrs. Carrie Sparkling of St. Louis was tonight elected national president of the Women's Relief corps. Her principal rival was Mrs. Kate Jones of New York. Mrs. Sparkling has previously held a number of high offices in the organization.

DAVID R. FRANCIS

Dined in Berlin by Dr. Theodore Lewald.

Berlin, Aug. 16.—Dr. Theodore Lewald, who was the German commissioner-general to the Louisiana Purchase exposition at St. Louis, gave a dinner here tonight in honor of David R. Francis and a deputation of the fair commissioners, consisting of Breckenridge Jones, L. D. Cozier and S. M. Fulton, president of the Chicago & Alton railway.

Under Sec'y of State Wermuth, who was the German commissioner-general to the Columbian exposition at Chicago, proposed the health of Emperor William and President Roosevelt and welcomed Mr. Francis and his party to Germany. Dr. Lewald toasted Mr. Francis, narrating the pleasant relations which had existed at St. Louis and praising the latter's executive ability. He then presented to Mr. Francis a large brooch model on one face of which is a relief representation of Columbia presenting Germania with a laurel wreath.

Mr. Francis responded with a high tribute to Emperor William. He described the German exhibit at St. Louis as the greatest ever given by any country in a foreign land. Mr. Francis also remarked the remarkable evidence of progress to be seen on all sides in Germany.

Mr. Francis will remain here several days and expects to be received by Emperor William. He has engaged passage home for Sept. 10.

NEBRASKA REPUBLICANS REPORT ON PLATFORM.

Omaha, Aug. 16.—The committee appointed by the state committee to prepare a platform to be submitted to the Republican state central committee completed its labors this afternoon. The platform agreed upon for submission to the state convention Aug. 22 was at once made public.

After endorsing the past record of the Republican party and with pride the work of the last Congress, the platform declares "unalterable allegiance to the principle of protection and approves the efforts of the national administration to insure justice for the people against trusts."

The platform favors the election of United States senators by direct vote of the people. It also says: "We declare ourselves as unalterably opposed to the domination of corporations in public affairs, and urge the enactment by the next legislature of an anti-pass law that will prevent the issuance of any free pass, free ticket, free transportation or transportation known as newspaper or editorial mileage, except to bona fide employees of a railroad company and to members of their immediate families and caretakers of live stock."

An employers' liability bill is favored, and the platform says: "We recommend our representatives in Congress to urge the speedy adoption of such laws and regulations as will permit the leasing, sale or other disposition of the government lands in the western portion of the state in such manner as will best protect the interest of the residents."

FOUR BAD BOYS CONFESS TO HOLD UPS AND MURDER.

San Francisco, Aug. 16.—With a coolness and nonchalance that amazed the police, Fred Peterson, William Meares, Walter Westwood and Frank McAuliffe, four youths still in their teens, tonight confessed that they are the quartet that committed the series of holdups which culminated in the killing of Fred Mullineaux on the Ocean boulevard late Sunday night.

Peterson, who is but 17 years of age, admitted that he fired the shot which killed Mullineaux when the latter resisted robbery.

McAuliffe, aged 18, was arrested yesterday morning and after being subjected to a most severe examination, broke down, admitted he was one of the quartet, and gave the names of the other three, which resulted in their arrest today.

With a smile and a careless manner, Peterson tonight told in minute detail of the robbery of four persons an hour before the murder of Mullineaux, and a holdup on the boulevard the night previous. McAuliffe, who lived with his parents at 224 Twenty-fourth avenue, declared that he left the gang a few minutes before it held up Mullineaux, but this is emphatically denied by the other three.

Westwood, the acknowledged leader of the youthful gang, is but 16 years of age and resided with his mother and stepfather, Patrick Ryan, at 1554 Post street. He admitted that he was the gun holder in the other robberies and that it was Peterson's turn when Mullineaux was held up. Meares is 18 years of age. The police say that three charges of robbery and one charge of murder will be placed against each one of the quartet.

KILLED IN A LUMBER SLIDE.

New York, Aug. 17.—One man was killed, another was injured and five had a narrow escape in a lumber slide in the bald of the schooner David Faust in the north river yesterday. K. Alaine, descending through the hatchway, heard a premonitory rumble and knew the six men unloading lumber in the hold were in peril. Planks were slipping from a pile eight feet high

and thumping on the floor among the bewildered laborers. Alaine grabbed a heavy standard and held it against the tottering stack with all his might, shouting to the men to save themselves.

Five of the men, badly bruised, had scrambled out of the tangle of boards, when a piece struck Alaine and broke his right wrist. He jumped clear of the pile, which came down with a crash. John Bowers, 32 years old, was buried under the lumber and instantly killed.
