ADDRESS

By Mr. O. H. Ri ige, before the Ter ritorical Teachers Association, Con vened in Salt Lake City, April

The faculties of knowledge, re-son, judgment, and voluntary of termination distinguish us fro the beasts, and constitute the tr Commissioner Smith gave a glow-ing picture of the Indians on his own agency, reclaimed in a short time by truth and justice from the

The despotism of ignorance is of the most imperious nature. Its possession of the human mind at the age of maturity, is finn and resisting, and it is only by a kind of force that knowledge gains admission. The mind of the child has been appropriate way iff the way are

ported to be doing well.
