To be honest with his hearers, he should have read the succeeding verses, but they would not have ralysis. supported his theory. The 13th to 15th verses are as follows:

"O that thou wouldst hide me in the grave, that thou wouldst keep me secret till thy wrath be past, that thou wouldst appoint me a set published in Edinburgh, Scotland, has a long article on the death of President Young. It contains sev-eral inaccuracies, as is generally the wait, till my change come. Thou shalt call, and I will answer thee, thou wilt have a desire to the work of thine hands." It is clear from these passages

that Job expected, when the heav seed for Hungary. vens should be "no more," or as a Receiver-Washburne-Fire.

Mr. Beecher has the right to ad-vance spiritualistic theories, and propound arguments against any of the cardinal doctrines of the re-ligion of Christ if he chooses. But he has no right to lay the responsi-billity of his vain philosophy upon the sacred Scriptures, nor to perthe sacred Scriptures, nor to per- the head and two in the body. Mr. vert the sayings of the Old or New Scoles fell from his horse and ex-Testament writers, to bolster up the pired in about three minutes, living until his family and two or three observers reached him, to whom he infidel notions which he seeks to palm upon the public under the spoke a few words.

palm upon the public under the guise of religion. He certainly has not "enlarged any intellectual tidea" in this discourse, nor "clear-ed away any intellectual doubt."
but wherein he has "put the question of a future life" so as to give a single erumb of "comfort," or to evoke the smallest spark of "inspiration," is something that would be very difficult to discover even with a microscopic power of vision.

# Z. C. M. INSTITUTION

FALL TRADE '77

We are opening and offering for sale, an entirely new stock of Dry Goods and Notions, all fresh and of the most modern styles and best manufactures.

**五日**月 時色月

14111 101

The stock is ample, complete and varied in very class of goods known to the trade, and comprises a greater variety, better grades and lower prices than has ever been offered in Utah since the opening of the Institution. Our resident buyer in New York, by purchasing largely for Cash, has secured rare and unusual bargains in the leading lines, and these advantages will in every instance, be shared with our patrons.

We cutt special attention to recent arrivals in English French and American Dress Goods, comprising the newest shades and colorings, and in the very latest designs and com. binations, which offer unusal attractions to all buyers for first class Retail trade. We are displaying thirty styles of English Scotch and Domestic Cheviots, Forty styles of Ethal Plaid Dress Goods, five thousand pieces of Fall Prints, among which are Hamilton, Manchester, Pacific, Knickerbocker, Oriental, American, Garner, Washington and Mallory. Also the Peabody Solid Prints. In Bleached Goods we offer the Social, Hope, Western Products, Dwight, Pocahontas, Farwell, Lonsdale, Fruit of the Loom and other brands of leading mills ; we also offer a new article of special merit for underwear, known as Double Warn Half Bleached Cottons.

Our Dress Flannel Department is thorough and complete in all recent choice designs. Buyers are requested to order early. as the line is now full.

Retailers in this and neighboring territories will save time. money and expense by ordering from us instead of sending East. as our assortment is so large, they will be able to make selections without stocking up with unsalable goods, in fact no dealer, however remote from business or manufacturing centres can af. ford to pass by this city with a view of purchasing elsewhere. In short, during a season unparalleled for Auctuations in the prices of general merchandise, we still offer better goods, low er prices and more favorable terms than any house west of New York, and we take this opportunity of inviting those who read this notice and who have never favored us with their patronage, to make a trial of our goods for the fall and winter of '77-'78.

executive and ad tive capacity," and extraordinary works "accomplished amid circum. stances of great difficulty and the most apalling hardships."

According to an article in the English Woman's Sufrage Journal, in and understanding of the doc-one of the foremost advocates of trine of a future life, and that resurthe franchise for women was the means of defeating a bill that would have conferred upon them the power to vote. When the last Reform Bill was introduced, Mr. Mill challenged a division on one of its challenged a division on one of its sections, which was worded pur-posely to include women in such a manner that the registration courts would be bound to accept their votes. It was rejected, and a strong worms destroy this body, yet in supporter of female suffrage thus my flesh shall I see God." defeated the very object he aimed
