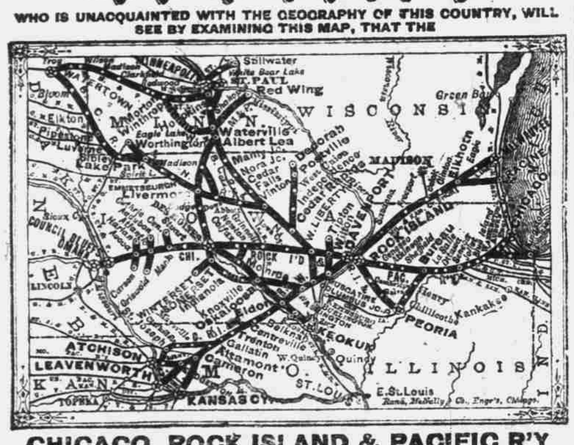
A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R'Y

By reason of its central position, close relation to principal lines East of Chicago and continuous lines at terminal points West, Northwest and Southwest—is the only true middle-link in that transcontinental system which invites and facilitates travel and traffic in either direction between the Atlantic and Pacific.

The Rock Island main line and branches include Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Knoxville, Audubon, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, St. Joseph, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns and villages.

THE GREAT ROCK ISLAND ROUTE

Guarantees Speed, Comfort and Safety to those who travel over it. Its roadbed is thoroughly ballasted. Its track is of heavy steel. Its bridges are solid structures of stone and iron. Its rolling stock is perfect as human skill can make it. It has all the safety appliances that mechanical genius has invented and experience proved valuable. Its practical operation is conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.

ALL EXPRESS TRAINS between Chicago and the Missouri River consist of comfortable DAY COACHES, magnificent PULLMAN PALACE PARLOR and SLEEPING CARS, elegant DINING CARS providing excellent meals, and —between Chicago, St. Joseph, Atchison and Kansas City—restful RECLINING CHAIR CARS.

THE FAMOUS ALBERT LEA ROUTE

Is the direct, favorite line between Chicago and Minneapolis and St. Paul. Over this route solid Fast Express Trains run daily to the summer resorts, picturesque localities and hunting and fishing grounds of Iowa and Minnesota. The rich wheat fields and grazing lands of interior Dakota are reached via Watertown.

A short desirable route, via Seneca and Kankakee, offers superior inducements to travelers between Cincinnati, Indianapolis, Lafayette and Council Bluffs, St. Joseph, Atchison, Leavenworth, Kansas City, Minneapolis, St. Paul and intermediate points.

All classes of patrons, especially families, ladies and children, receive from officials and employes of Rock Island trains protection, respectful courtesy and kindly attention.

THE IRISH.

The Trouble in the Clan na Gael.

NEW YORK, May 19.—The New York *Mail and Express* says:

The Clan na Gael society numbers among its members two United States senators, the governors of several states, the mayors of a dozen cities, as well as congressmen of national importance. Certain members have been openly charged with selling the secrets of the order to the British government, which it is alleged has been the means of supplying information to the London *Times*. The Clan na Gael society was formed in the United States after the

ABORTIVE REVOLUTION

in Ireland during the spring of 1867. Camps were organized in every city of the United States and every town of consequence. Brooklyn has nearly a dozen camps with a membership of 2,800. New York has more. Philadelphia follows next, then Chicago, St. Louis, Pittsburg, Buffalo, Albany, San Francisco, New Haven, Boston, Lowell, Providence, Scranton and Hoosac Falls. Powderly was ons of the chiefs when mayor of Scranton. The societies each bound the members. The object was to free Ireland. To-day the society is not only split in half, but one of the members, said to reside in New Haven, is charged with the

APPROPRIATING

of $40,000 from the revolutionary funds and other members of the supreme executive board are taxed with living on assessments drawn from the members. Open warfare has been instituted between the leaders and the camps divided into almost equal factions, the leaders taking with them the name of Clan na Gael. Patrick Egan of Lincoln, Nebraska, Alexander Sullivan of Chicago, Col. Mitchell Bolland of Louisville, and Reynolds of New Haven, form the leaders of the original faction, while John Devoy, Wm. B. Wallace, Sawyer Goff of Brooklyn, the

LEADING MEN

in the new Clan na Gael, caused the split which occurred several months ago, and which was directly brought about by the order from the executive committee remanding fifty prominent men. For years there has been discontent among the camps. The members wondered where their money was going to they contributed. According to the constitution they were not allowed to ask. The members were only supposed to know the local officers. Before the demand came for fifty per cent. of the receipts of the sixty-five camps of this country, Alexander Sullivan and Patrick Egan secured the expulsion of John Devoy and his followers. Open charges

OF ROBBERY

were then made. It was alleged that British spies had gained a foothold in the order. The result was a majority of the camps refused to turn over fifty per cent. of their receipts to the treasurer. Some of these camps were promptly expelled. Others did not wait for expulsion, but disregarding their oaths withdrew from the order. The majority against the assessment was enormous and they withdrew from the organization, taking with them the name Clan na Gael. The new Clan na Gael proposes to drive Alexander Sullivan, Patrick Egan and their followers out of all Irish societies. They will be placed upon

THE BLACK LIST.

They refused to give the old camps any account of the moneys expended, claiming it is a secret matter. Charges of fraud were made, affecting in one case a man holding a public office in Brooklyn and other of great prominence in Boston. Rev. Dr. Betts, a leading Protestant clergyman of the west, until recently located at St. Louis, is leader of one of the factions. He is bitterly denounced by some persons in New York, who claim he knows where the London *Times* got its information.

Terrible Devastation.

MARQUETTE, Mich., May 19.—The forest fires are still raging everywhere and the smoke is dense. No casualties are reported but thousands of dollars of damage has been done. From all quarters come reports of heavy damages. Owing to the telegraph poles being burned, full reports are not possible. Nothing definite has been learned from Camp Lumber. There is where the big fire raged last night. The wind is light and the forest dry. There are fears of a general conflagration. Fully two thousand people are fighting the flames on the Peninsula today, and the repetition of the awful Peshtatigo fire is feared. The fires appear to be everywhere. The Italians at Camp Number Three, who were surrounded by the fire last night, succeeded in

SAVING THEIR LIVES.

but lost the camp. The particulars of their flight cannot be learned. Several camps on the extension were destroyed. At noon to-day the fires were approaching the Webster mine, and the six saw mills at various places are in imminent danger. At Negaunee, Ishpeming and Michigamme the smoke is suffocating, and thousands of dollars' worth of hardwood timber and pine were destroyed. No fatalities are reported, but when definite news arrives from camp it is feared the report will be worse. Marquette, Alger, Baraga, Houghton and Keseweena counties are being swept by fire. The fires are within two miles of Ishpeming, but no danger is anticipated at that place.

Instantly Killed.

DENVER, May 19.—A Buena Vista special to the *Republican*: This morning at 3 o'clock, two Italians working night shift in a tunnel on Hipe & Co.'s works on the Midland road, were caught by a mass of falling rock. Both were instantly killed.

A Just Verdict.

GRAND RAPIDS, Mich., May 19.—John Boyd, a butcher of Rockford, one morning last summer deliberately murdered M. Johnson. Boyd was half crazed with liquor. He made no attempt to escape. He was convicted of murder and sentenced to prison for life, leaving a wife and four children, the youngest three days old. The wife of the murderer sued Christopher Post, a saloonist of Rockford, for selling her husband liquor, claiming $20,000. A verdict was rendered this morning, giving the woman $5,500. The case will probably be appealed.

Another case of the same character, where a woman's husband was killed in a row and the murderer executed, is now pending.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
