LAST Night's Dispatches.

EASTERN.

Arrest of a Defrauder.

Philadelphia, 26.—John S.

Morton, President, B. F. Stokes,

secretary, Samuel P. Huhn, treas-
urer of the Market Street Rail-
road, and George Vickers, private
investor, were arrested this
afternoon on the charge of con-
spiracy to defraud the company.
The arrests were made at the
instigation of the new Presi-
dent, Morton, who was in New
York on business. The company
was taken before a magistrate and
held for hearing to-morrow. Samuel
P. Huhn, failing to give \$50,000
bond, was committed to jail. George
Vickers, who could not furnish \$10,000
bond, was committed to jail. Morton
was held on his own recognizance.
It is understood that warrants are
out for the arrest of others.

Northern Pacific Railroad—Meeting
of Stockholders.

New York, 26.—The annual
meeting of the stockholders of the
Northern Pacific Railroad was held
to-day. The report for the past year
and up to September, 1877, showed
the gross earnings for the year to
be \$953,823, expenses \$573,124, an
increase of nearly 25 per cent. over
last year. The report urges that
Congress be petitioned to pass a bill
extending the time for the com-
pletion of the road to the Pacific,
and sets forth the advantages to
accrue to the country thereby. A resolution
was adopted, stating that it was the
judgment of the stockholders that
the construction westward from
the Columbia River to the Pacific
should be completed as soon as prac-
ticable, with the best interests of
the stockholders, with a view to
completing the road to the Pacific.
A resolution was also passed requir-
ing the purchasing committee of
bondholders to fix a day within
which all bonds outstanding must
be surrendered for conversion into
preferred stock. About four million
dollars worth of these bonds are
still outstanding.

COLUMBUS, 26.—A fire at the
penitentiary last night, damaged
property to the amount of \$20,000,
insured.

Arrested for Embezzlement.

Chicago, Ill., 26.—Sidney Myers,
president of the Merchants' Bank,
and Mechanics' Savings Bank,
which suspended last week, was in-
dicted by the grand jury to-day for
embezzlement of \$200,000, and was
subsequently lodged in jail in de-
fault of \$200,000 bail.

The grand jury also indicted the
officers of the defunct Protection
Life Insurance Company on the
charge of defrauding its policy-
holders, and officers are sent out to
arrest them.

The Buried Models.

WASHINGTON, 26.—Secretary
Schurz has appointed a committee
to make an investigation into the
cause of the late fire. The com-
missioner of patents thinks about
37,000 models were burned, exclu-
sive of about 17,000 models on
which no patents had been grant-
ed.

A telegram, received to-day, from
an official source in Yeddo, says,
the rebellion in Japan has ended.
The chief rebels, Sigo, Murado,
and Kikino, committed suicide on
the 24th inst.

The Republicans of New York—
Conkling Declines the Chair.

ROCHESTER, 26.—The republican
State convention assembled to-day.
A. B. Cornell called the delegates
to order, and T. C. Platt was made
temporary chairman.

The committee on organization
reported Roscoe Conkling for per-
manent president; agreed to.

Conkling took a position in one of
the aisles and after acknowledging
the honor, said he would facilitate
business and accommodate him-
(Conkling) for the chair to remain
in his position. He therefore moved
that his name be stricken from the
report, and that T. C. Platt be
made permanent chairman.

Forster, of Westchester, hoped
the motion would not prevail. He
criticized the bad taste of the tem-
porary chairman in his opening re-
marks.

Conkling's motion prevailed, yes,
311, nays 110, and Platt was
chosen permanent chairman.

On resuming the chair Platt called
for the report of the committee
on resolutions. The following were
then read:

The Republicans of New York,
true to their achievements of un-
equalled honor and highest impor-
tance, and the republican party of
New York will heartily support
every measure authorized by law
adapted to establishing and main-
taining confidence, national unity,
and tranquility, justice and
obedience to lawful authority.

We insist on purity, frugality
and efficiency in every branch of
the public service, national and
State. To hold these
requirements practical and just;

First—No needless office or of-
ficer, or public agent should exist.

Second—Compensation for offi-
cial service should be fair and just
but in no case excessive.

Third—Fit men and no others
should hold public trusts; every
official, high or low, should be re-
quired at all times to faithfully
perform his duty, and the whole
Government.

Fourth—No official or official-
holder should be subject to political
or partisan assessments, or to inter-
ference in any way with his political
rights and action, and plain ad-
vantages to make or enforce such
assessments, or to control or abridge
in any respect absolute freedom of
political action, which in this
country belongs to every citizen.

In connection with this subject we
insist on the letter of acceptance of
Mr. Hayes, wherein he declares
that the foundation of a govern-
ment of the people should be secure
in his personal character remained un-
