At times it affected her eyes so that she could not bear the light and would have to be kept in a dark room for three or four days. It finally went to her ears; she became duite deaf, and one of her ears began to discharge pus that was very offensive. I wrote Dr. Hartman and he advised me what to do. I gave her Lacupla ind Peruna. To-day she is enjoying the best of health: her eyes and hearing are both good. I heartily recommend Peruna for all catarrhal affections."

Very few people can honestly say that they are entirely free from catarrh. A cough is catarrh of the bronchial tubes. a cold is acute catarrh. Chronic catarrh s simply an old cold. The people who catch cold easily have catarrh in the system. Thousands of people have catarch who do not mistrust it. Peruna is the only scientific remedy for catarrh yet discovered.
